(57) **CLAIM**

The ornamental design for a foldable camera inner case, as shown and described.

DESCRIPTION

FIG. 1 is a first perspective view of a foldable camera inner case, showing my design.

FIG. 2 is a second perspective view of the foldable camera inner case.

FIG. 3 is a front elevation view of the foldable camera inner case.

FIG. 4 is a rear elevation view of the foldable camera inner case.

FIG. 5 is a left side elevation view of the foldable camera inner case.

FIG. 6 is a right side elevation view of the foldable camera inner case.

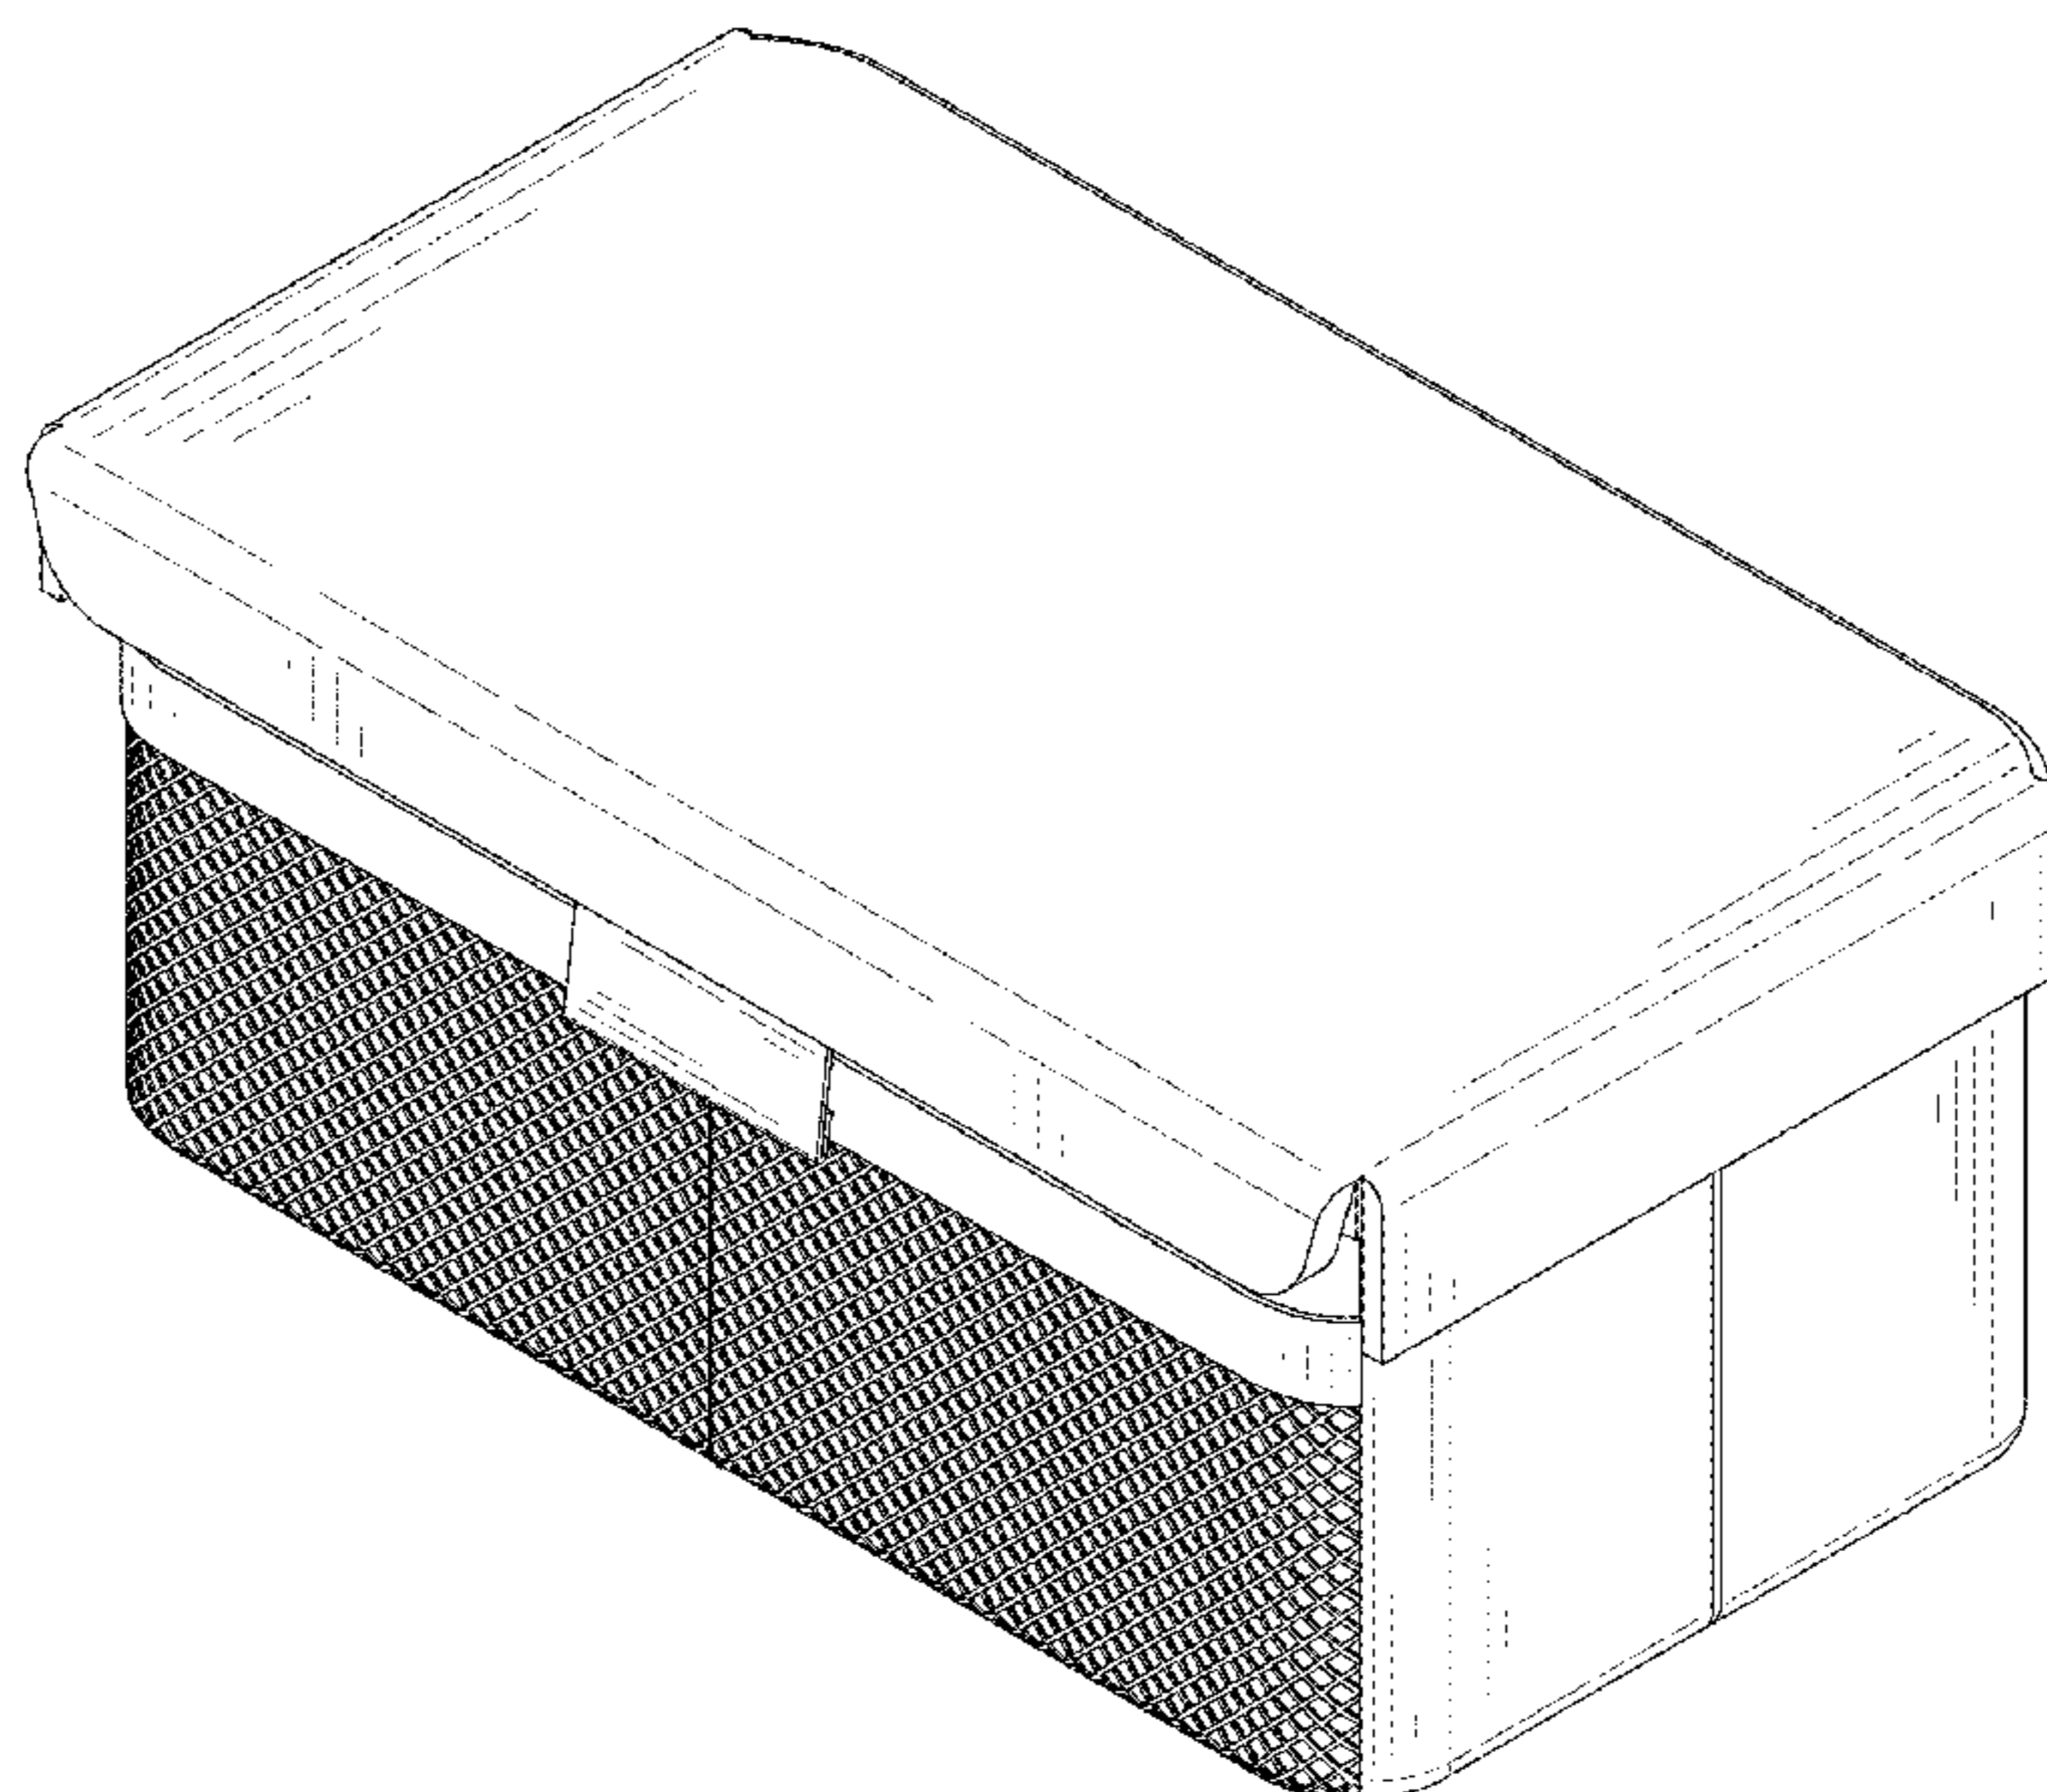

FIG. 7 is a top plan view of the foldable camera inner case.

FIG. 8 is a bottom plan view of the foldable camera inner case; and,

FIG. 9 is a perspective view of the foldable camera inner case, show in an opened configuration.

The broken lines depict portions of the foldable camera inner case that do not form part of the claimed design.
