(57) **CLAIM**

The ornamental design for a display screen with a graphical user interface of a verification badge, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a first embodiment of a display screen with graphical user interface of a verification badge showing my new design; and, FIG. 2 is a front view of a second embodiment of a display screen with graphical user interface of a verification badge showing my new design. The broken lines illustrate a display screen and form no part of the claimed design. The broken lines illustrate portion of the graphical user interface and form no part of the claimed design.

**1 Claim, 2 Drawing Sheets**

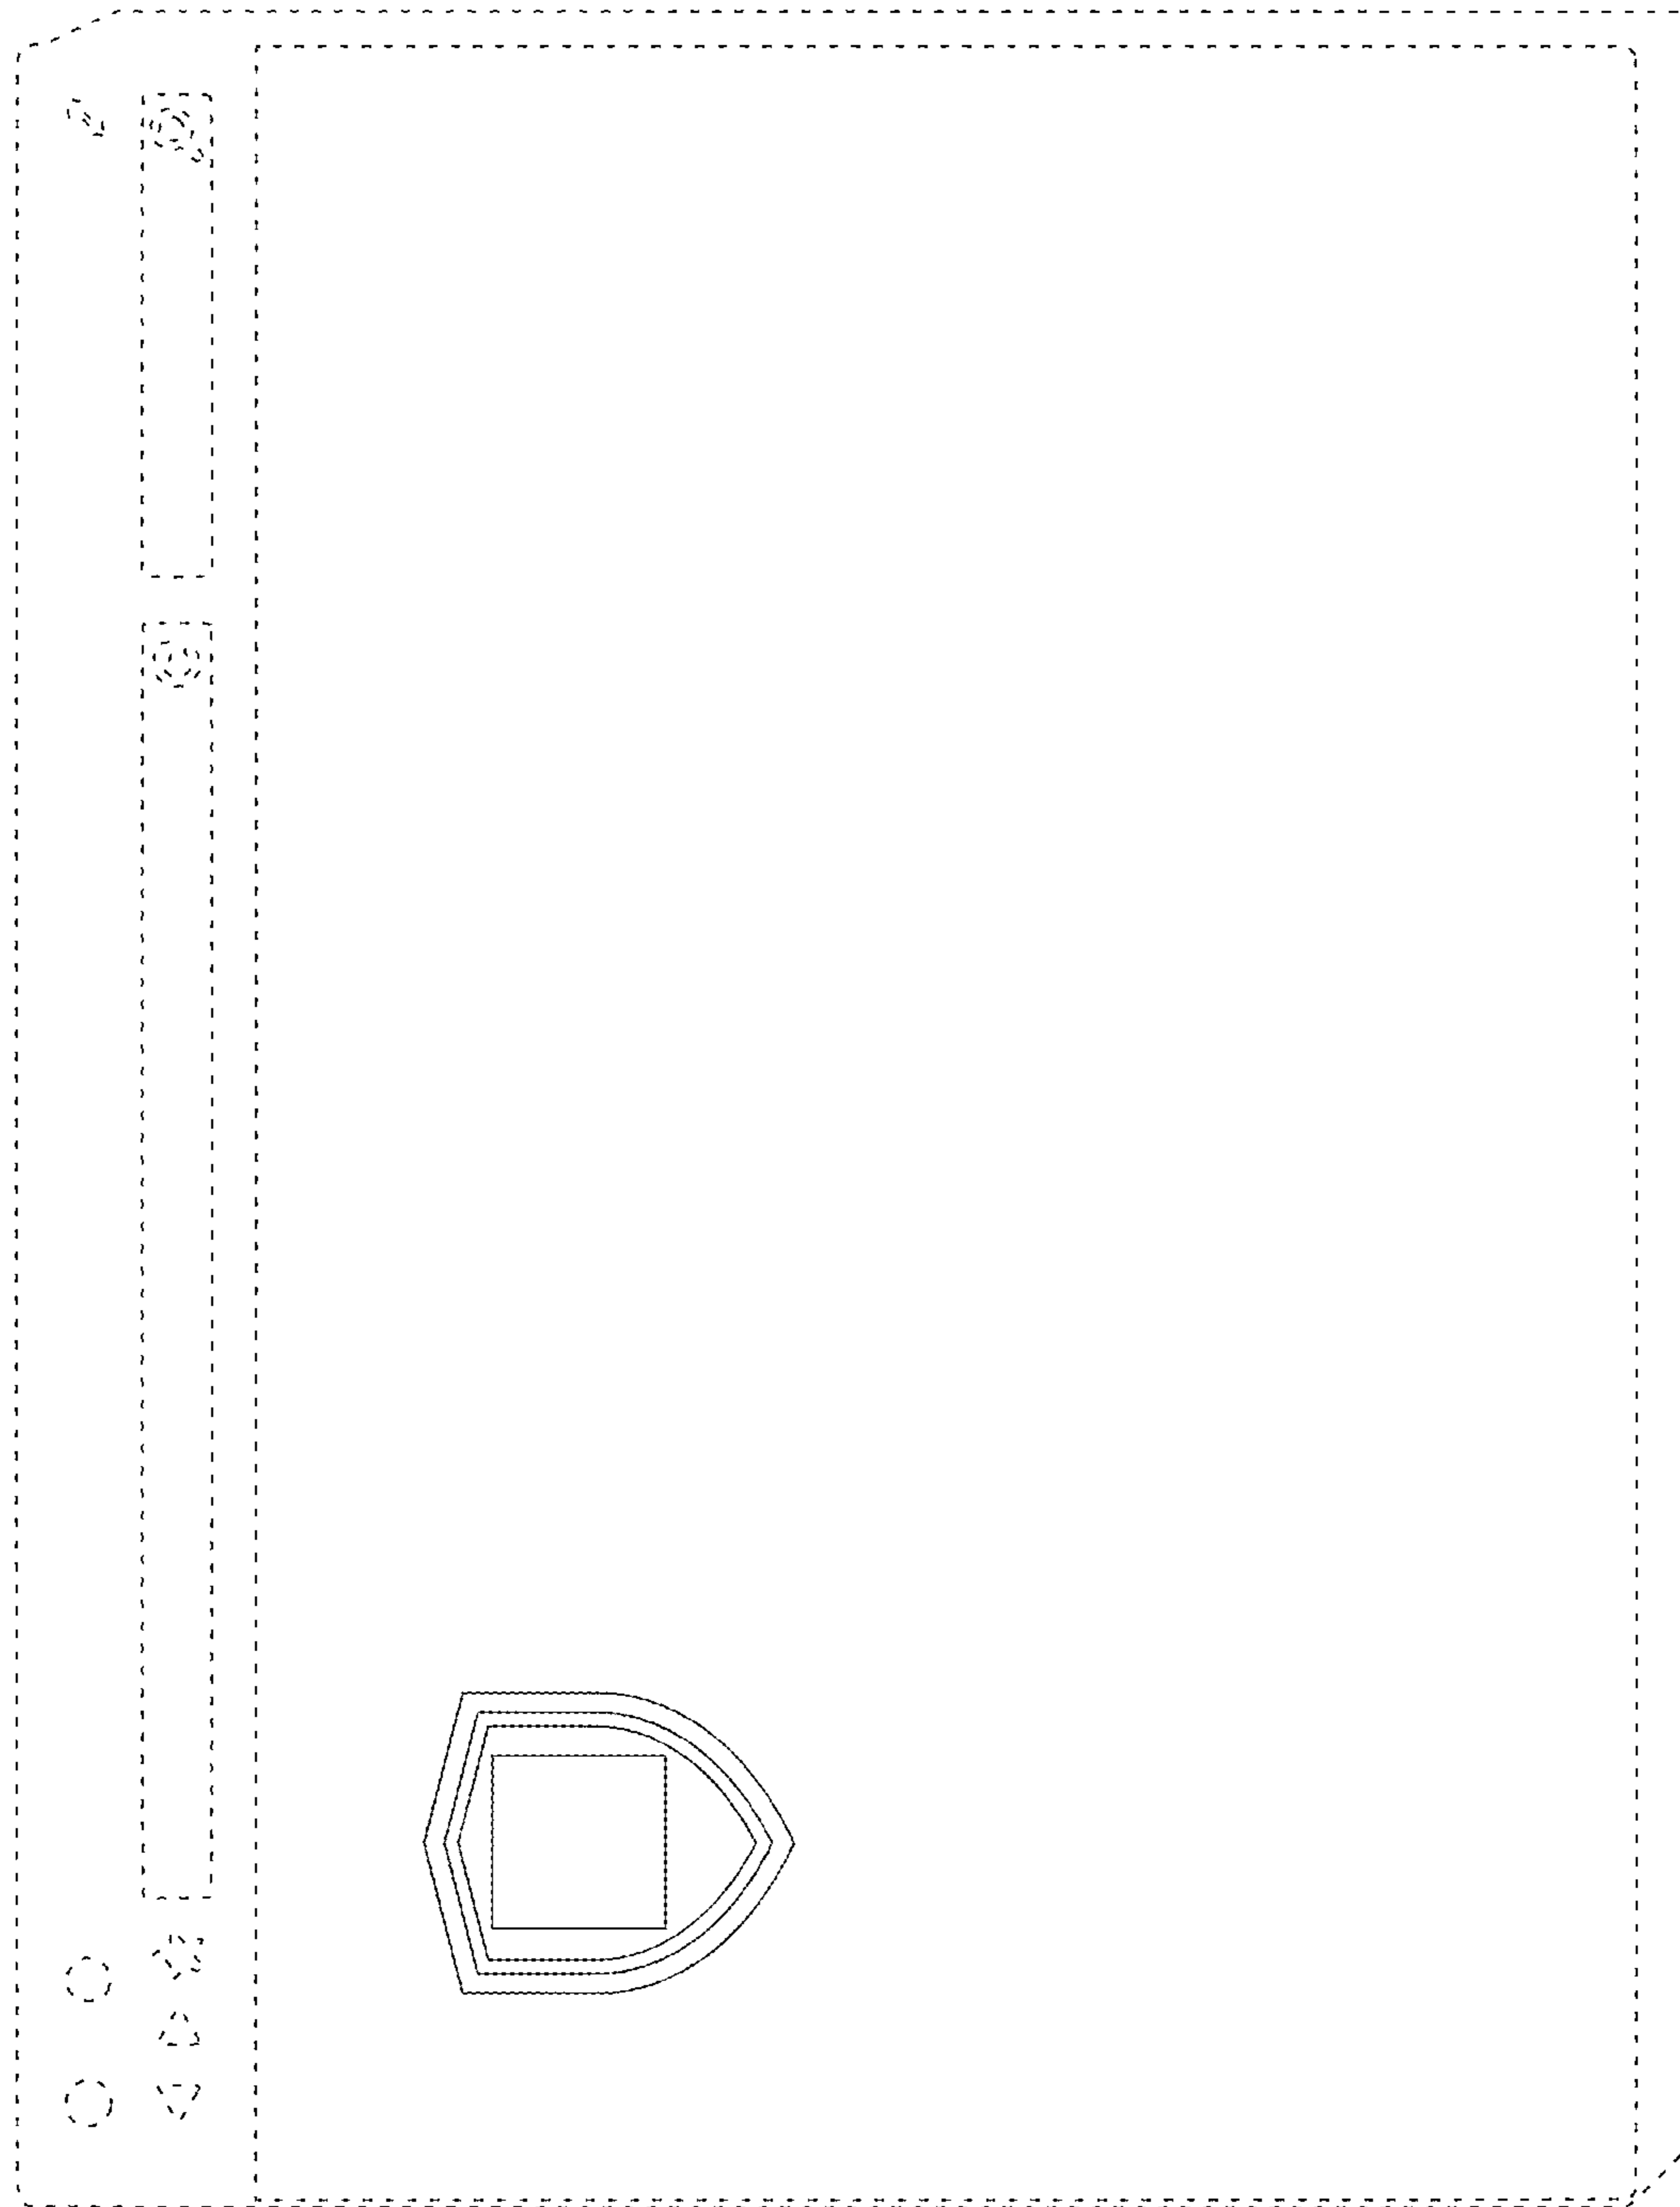

FIG. 1

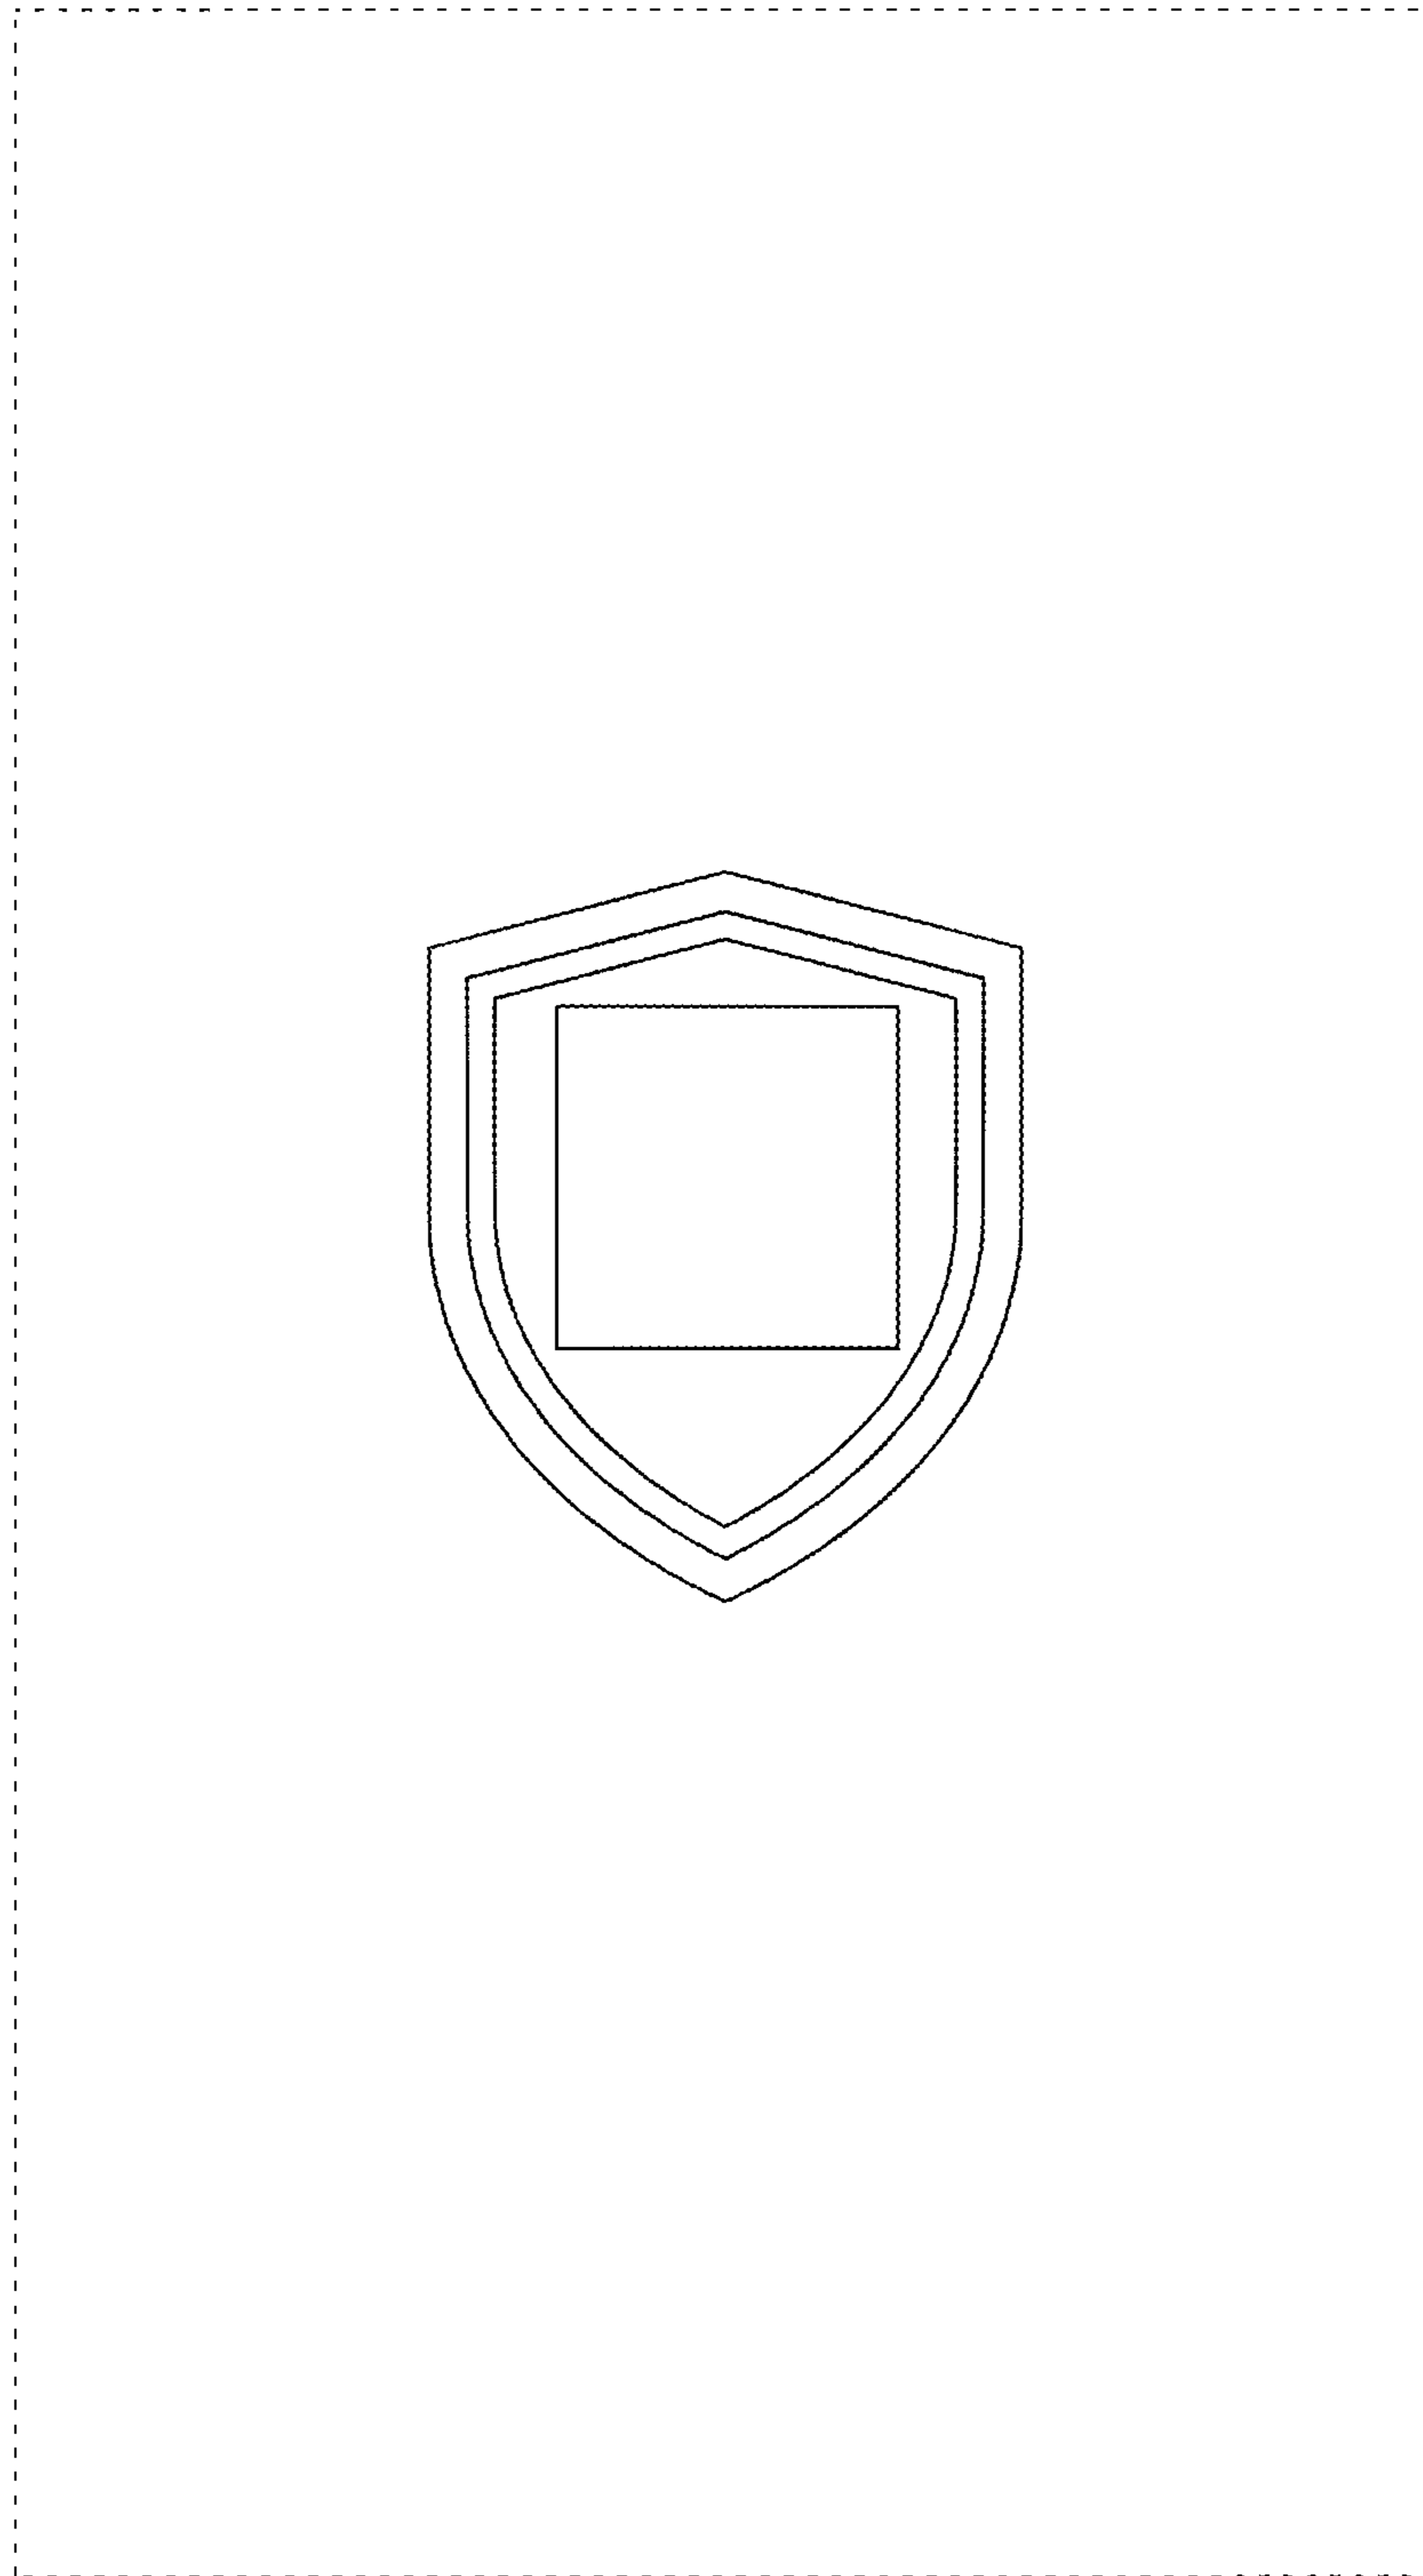

FIG. 2
