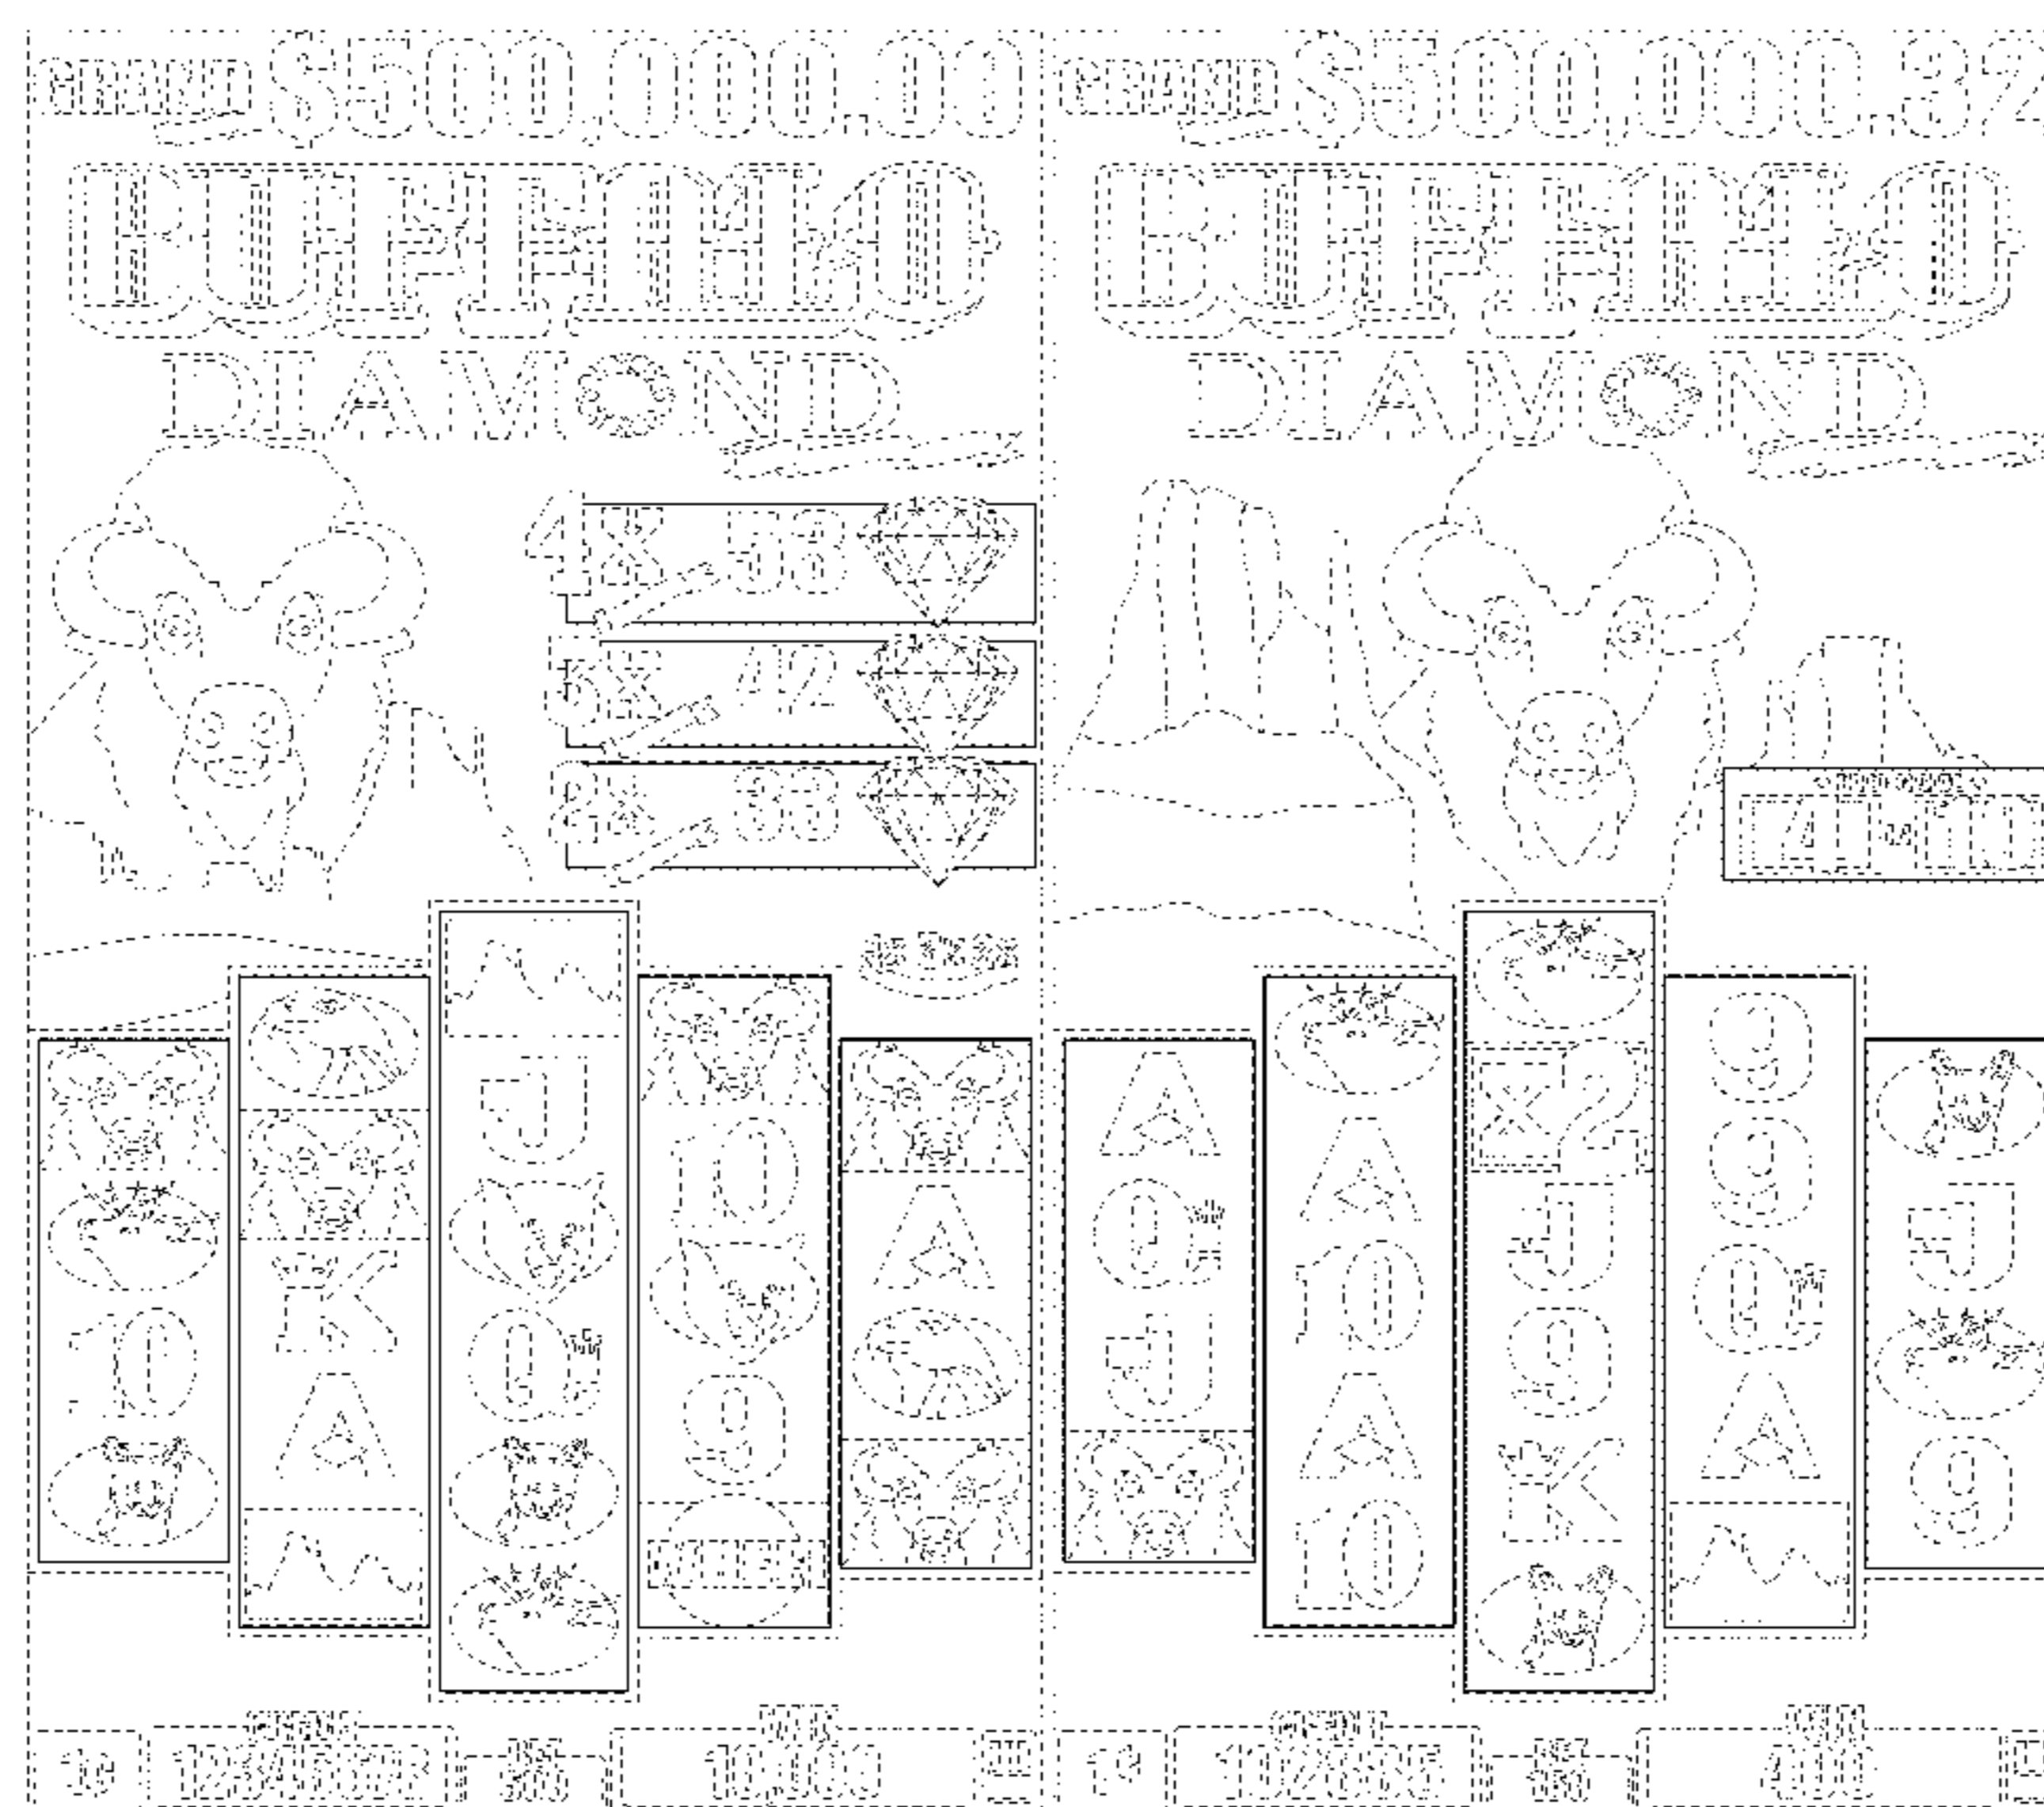

FIG. 1 is a display screen or portion thereof with graphical user interface showing our new design according to a first embodiment;

FIG. 2 is a display screen or portion thereof with graphical user interface showing our new design according to a second embodiment; and,

FIG. 3 is a display screen or portion thereof with graphical user interface showing our new design according to a third embodiment.

The dashed broken line perimeter in the drawings illustrates a display screen or portion thereof and forms no part of the claimed design. The remaining dashed broken lines in the drawings illustrate portions of the graphical user interface that form no part of the claimed design.
