The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The FIGURE is a front view of a group of electronic devices with graphical user interfaces showing the claimed design. The broken lines in the FIGURE show group of electronic devices with graphical user interface, and form no part of the claimed design. The bracket shown in the FIGURE indicates a group. The elements of the group are arranged relatively on the drawing sheet for the convenience of illustration, and the placement of each element relative to another, or to the drawing sheet, forms no part of the claimed design.
