(57) **CLAIM**

The ornamental design for a jack plate with cutouts, with cylinder having an attached pump, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a jack plate with cutouts, with cylinder having an attached pump showing my new design;

FIG. 2 is a rear elevational view;

FIG. 3 is the left side elevational view;

FIG. 4 is right side elevational view;

FIG. 5 is a top plan view;

FIG. 6 is a bottom plan view; and,

FIG. 7 is a left rear perspective view, with the rear plate removed for ease of illustration.

The broken lines shown represent environmental subject matter and form no part of the claimed design.
