I claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

See application file for complete search history.

DESCRIPTION

(56) **References Cited**

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design.

U.S. PATENT DOCUMENTS

The outer perimeter broken lines in the drawings represent a display screen or portion thereof and form no part of the claimed design. The dot-dash broken lines define a boundary of the claimed design and form no part thereof.
