(57) **CLAIM**

We claim the ornamental design for a lace tightening device dial, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the lace tightening device dial;  
FIG. 2 is a top view of the lace tightening device dial;  
FIG. 3 is a bottom view of the lace tightening device dial;  
FIG. 4 is a front view of the lace tightening device dial;  
FIG. 5 is a back view of the lace tightening device dial;  
FIG. 6 is a first side view of the lace tightening device dial;  
and,  
FIG. 7 is a second side view of the lace tightening device dial.  
The broken lines in the drawings represent environment that form no part of the claim.
