(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The outermost broken lines in the FIGURE show a display screen, or a portion thereof, and form no part of the claimed design. The remaining broken lines, showing portions of the display screen and portions of the graphical user interface, form no part of the claimed design.

1 Claim, 1 Drawing Sheet
