CLAIM

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 shows a display screen or portion thereof with graphical user interface according to the claimed design; and,

FIG. 2 shows another embodiment thereof.

The peripheral dashed lines illustrate a display screen or portion thereof, and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
