(57) **CLAIM**

The ornamental design for a computer display with graphical user interface showing timeline markers for a video, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a computer display with a graphical user interface showing timeline markers for a video.

In the sole FIGURE, the broken line showing of the computer display and portions of the graphical user interface illustrate the environment of the claimed design and form no part thereof. In the FIGURE, the computer display is shown with symbolic breaks in its width, also illustrated with broken lines. The appearance of any portion of the computer display between the break lines, and the break lines themselves, form no part of the claimed design.
