(57) **CLAIM**

The ornamental design of a display screen or portion thereof with animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with animated graphical user interface, showing a first image of the claimed design; and, FIG. 2 is a second image thereof.

The appearance of the animated image sequentially transitions between the images shown in FIGS. 1-2. The process or period in which one image transitions to another forms no part of the claimed design.

The broken line showing of the display screen or portion thereof is for illustrative purposes only and forms no part of the claimed design.
