(57) **CLAIM**

The ornamental design for a post mastectomy bra with inflatable pads in the inner pockets, as shown and described.

**DESCRIPTION**

FIG. 1 is an exploded, perspective front view of a post mastectomy bra with inflatable pads in the inner pockets, showing my new design, and showing one of the inflatable pads being inflated with a pump;

FIG. 2 is a rear elevation view thereof, showing the inflatable pad being inserted into one of the inner pockets and the other inflatable pad already inserted into the other inner pocket;

FIG. 3 is a front elevation view with an inflatable pad in each of the inner pockets;

FIG. 4 is a rear elevation view thereof;

FIG. 5 is a left side view thereof;

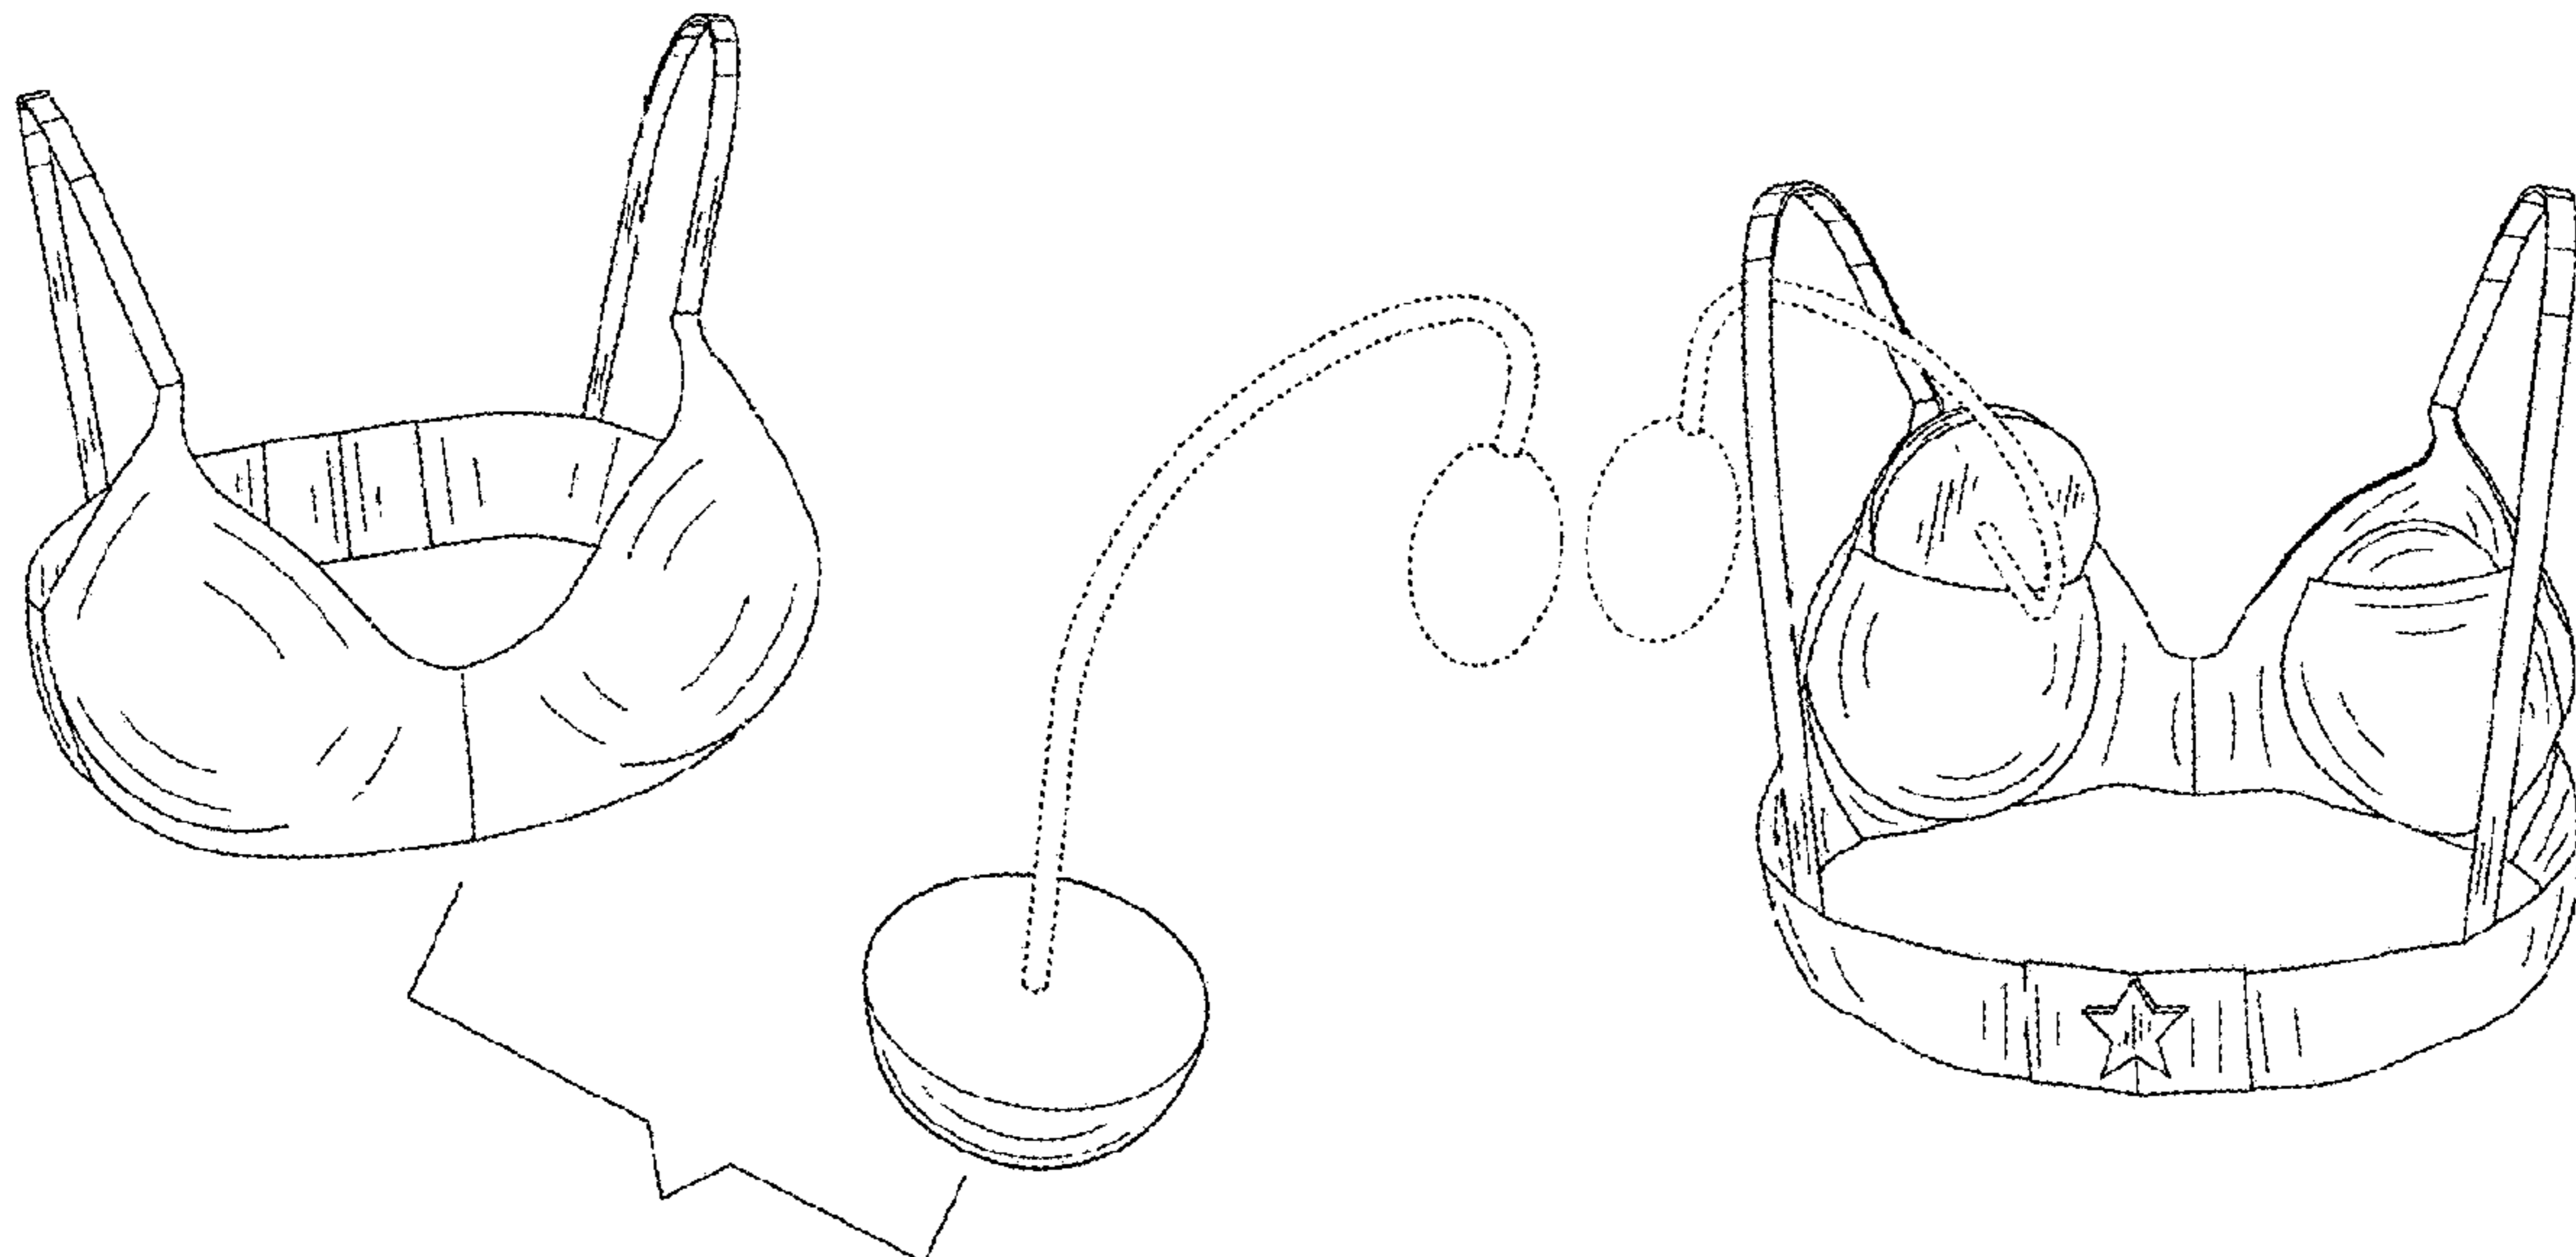

FIG. 6 is a right side view thereof;

FIG. 7 is a top view thereof; and,

FIG. 8 is a bottom view thereof.

The broken lines showing portions of the pump in the figures are for illustrating environment and form no part of the claimed design.
