(57) **CLAIM**

The ornamental design for a game board, as shown and described.

DESCRIPTION

The FIGURE is a top view of a game board showing my new design.
The broken line in the FIGURE shows a portion of a game board and forms no part of the claimed design. The surfaces of the game board not shown in the drawing or described in the specification form no part of the claimed design.
The shaded and unshaded areas within the outer solid perimeter line in the FIGURE indicate surfaces of two different colors but are not intended to indicate specific colors. The shaded areas within the outer solid perimeter line in the FIGURE are the same color, and the unshaded areas within the outer solid perimeter line in the FIGURE are the same color. The unshaded area between the outer solid perimeter line in the FIGURE and the outer broken line in the FIGURE forms no part of the claimed design.
