(57) **CLAIM**
The ornamental design for a fabric having camouflage pattern, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. FIG. 1 is a plan view of a first embodiment of a fabric having camouflage pattern showing the new design; and, FIG. 2 is a plan view of a second embodiment thereof showing the design of FIG. 1 in color. The broken lines depict portions of the fabric having camouflage pattern that form no part of the claimed design.
