(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing a first embodiment of the claimed design; and,

FIG. 2 is a front view of a display screen or portion thereof with graphical user interface showing a second embodiment of the claimed design.

The outermost broken-line perimeter in the figures shows a display screen or portion thereof and forms no part of the claimed design. The remaining broken lines show portions of the graphical user interface and form no part of the claimed design.
