(57) **CLAIM**

The ornamental design for a leg support for a urine bag, as shown and described.

DESCRIPTION

FIG. 1 is an isometric operational view of a leg support for a urine bag with a closed cap, showing my new design;

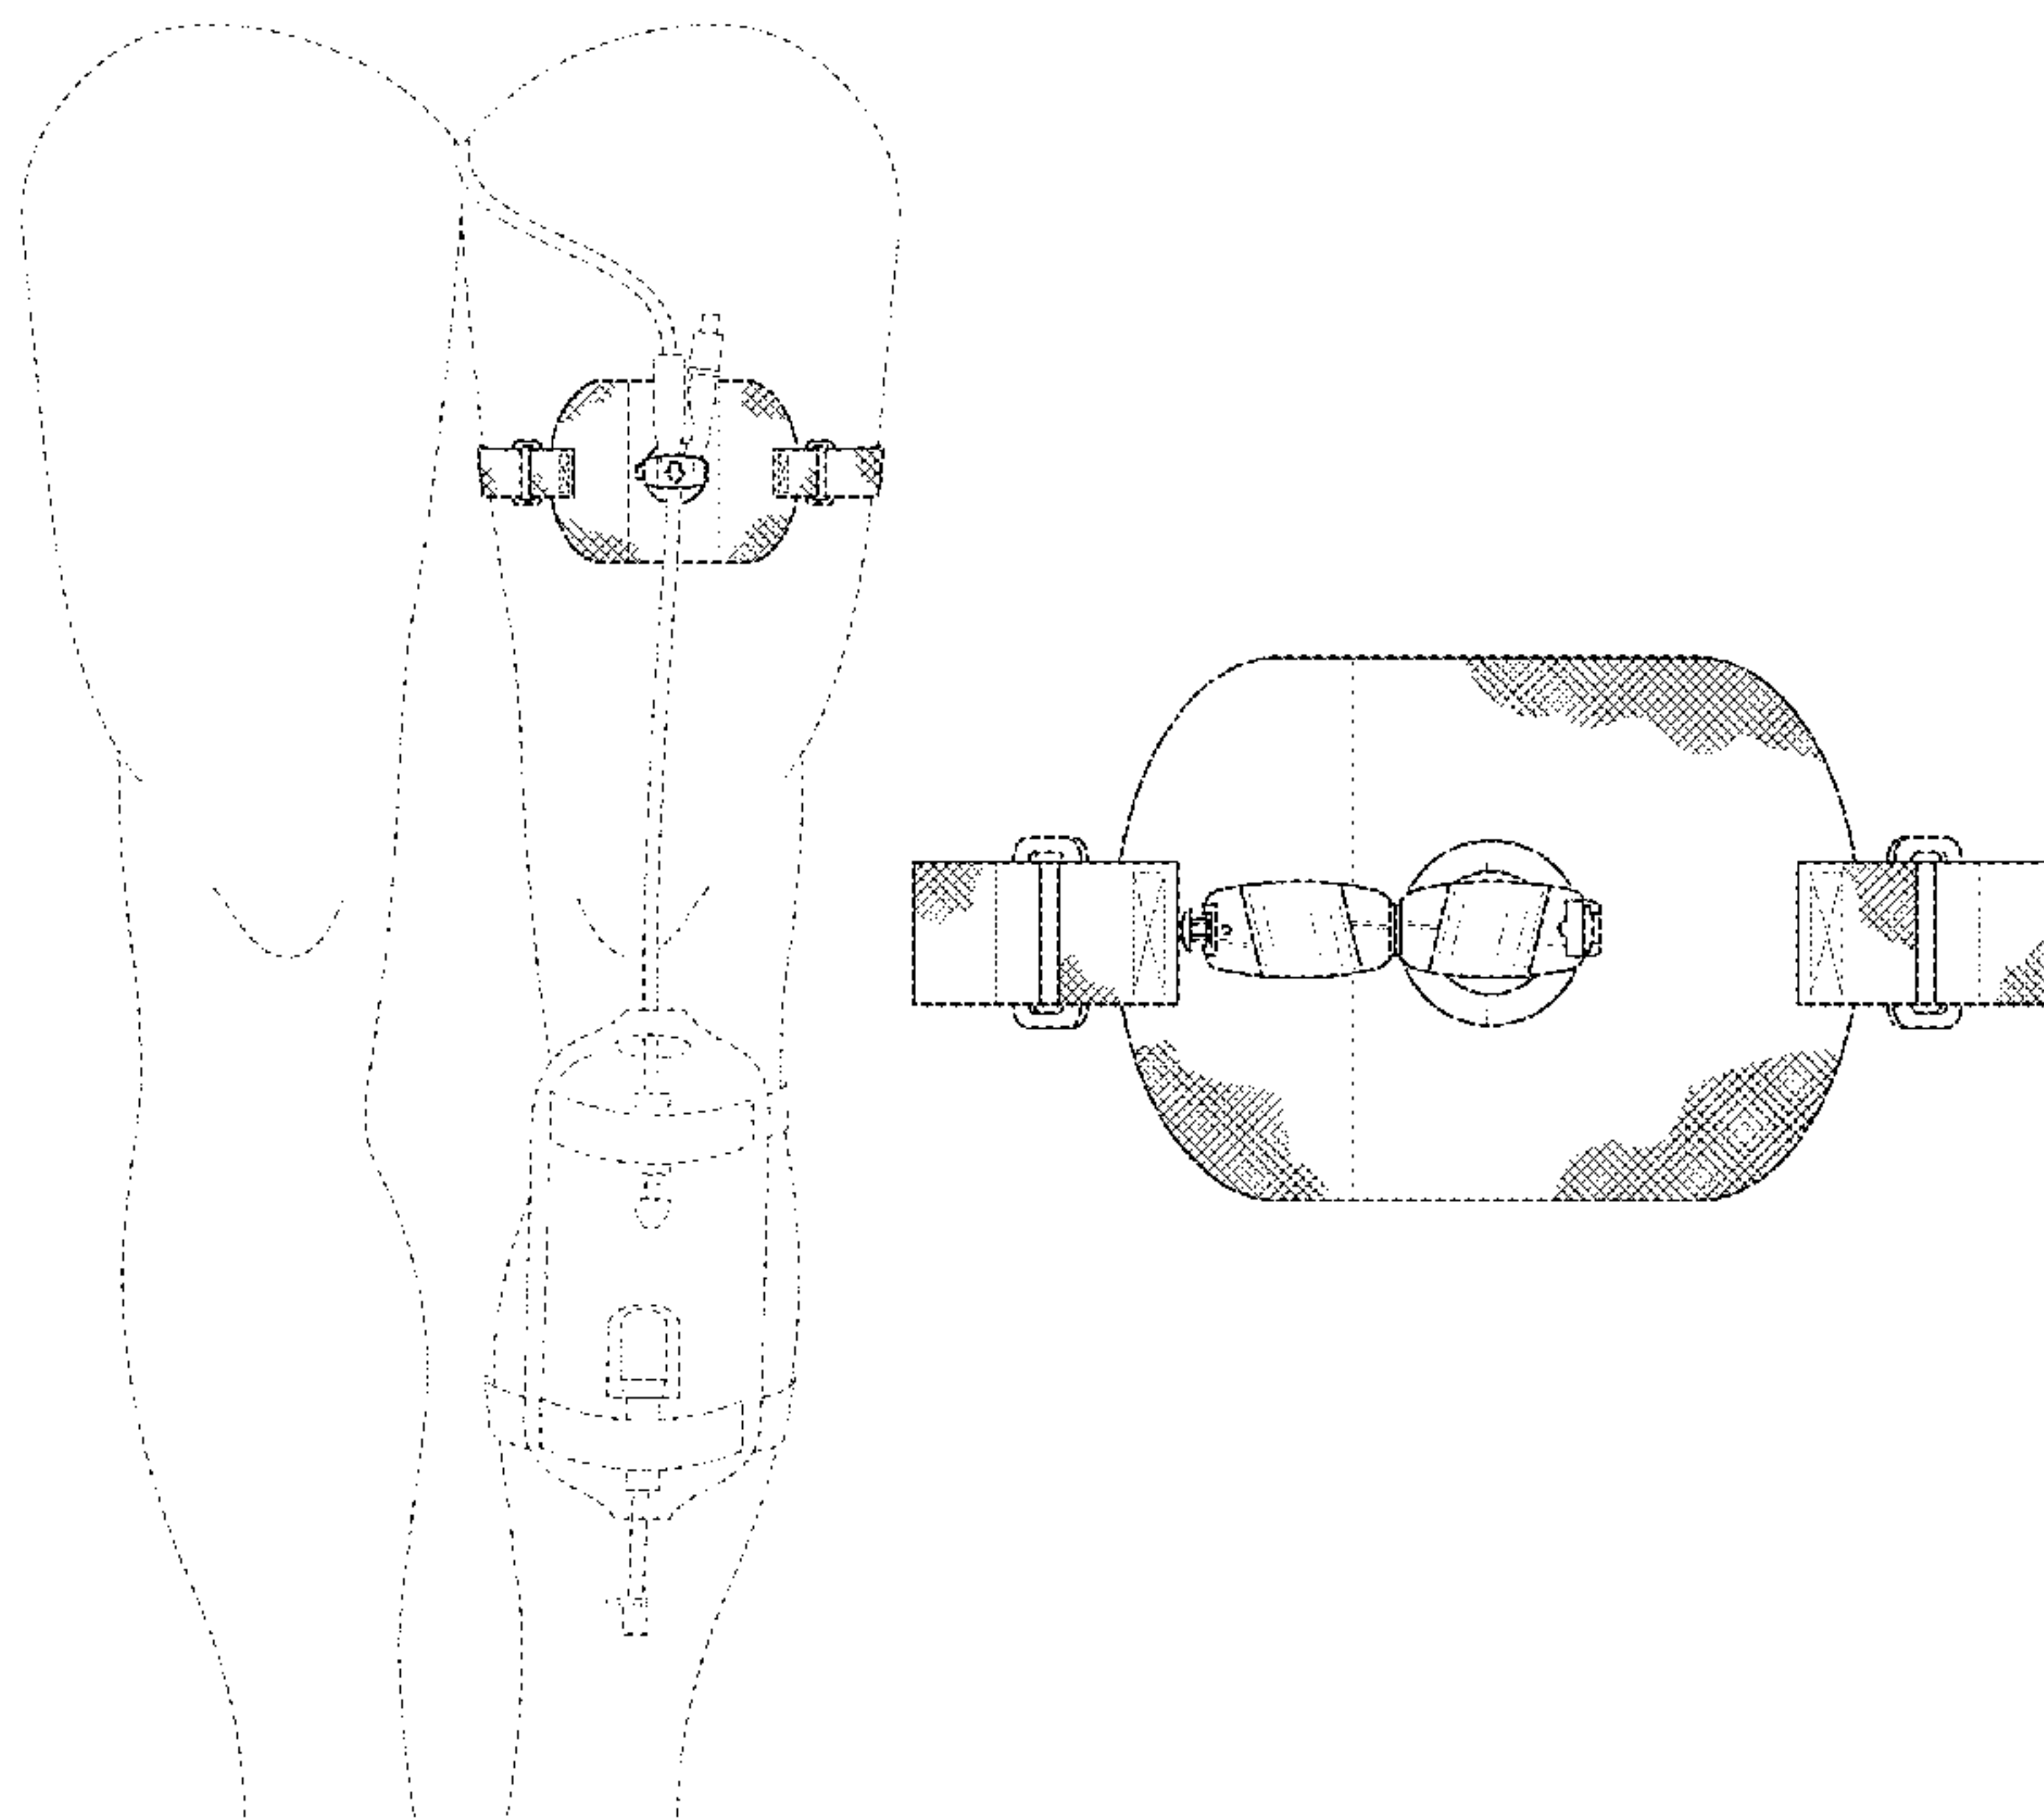

FIG. 2 is another isometric operational view of a leg support for a urine bag with a closed cap, showing my new design;

FIG. 3 is a front elevational view with the cap open thereof; FIG. 5 is a left side elevational view with the cap closed thereof;

FIG. 6 is a right elevational view with the cap closed thereof; FIG. 7 is a top plan view with the cap open, thereof; and, FIG. 8 is a bottom plan view with the cap open, thereof showing my design.

The broken lines in the drawings illustrate portions of the environment of the leg support for a urine bag which form no part of the claimed design.
