(57) **CLAIM**

The ornamental design for a tire tread having embedded blocks, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

1. Tire tread having embedded blocks

The red colored showing the side wall of the tire is provided for the purpose of illustrating environmental structure and forms no part of the claimed design.

1.1 is a perspective view of a tire tread having embedded blocks embodying my new design;

1.2 is a front elevation view thereof;

1.3 is a side elevation view thereof; and

1.4 is a partial perspective view thereof, enlarging a typical embedded block feature.
