The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The outermost dot-dash broken lines illustrate a display screen or portion thereof and form no part of the claimed design. The remaining dot-dash broken lines illustrate portions of the graphical user interface that form no part of the claimed design. As shown herein, dashed broken lines form part of the claimed design.
