(57) **CLAIM**

The ornamental design for an antimicrobial adhesive for a D-handle, as shown and described.

DESCRIPTION

FIG. 1 illustrates a top plan view of an antimicrobial adhesive for a D-handle according to our new design; FIG. 2 illustrates a bottom plan view thereof; and, FIG. 3 illustrates an environmental perspective view thereof showing an example use thereof.

The antimicrobial adhesive for a D-handle are thin and so the side views are not shown. The dotted lines in FIG. 1 represent perforations that form no part of the claimed design. The broken lines of even length in FIG. 3 represent environmental structure that forms no part of the claimed design.

1 Claim, 2 Drawing Sheets
