(57) **CLAIM**

The ornamental design for a textile product including a surface pattern, as shown and described.

DESCRIPTION

The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The sole FIGURE is a top plan view of the textile product including a surface pattern showing my new design. The dash-dot broken lines depict the boundaries of the claim and form no part thereof. The thickness of the textile product forms no part of the claimed design.
