(57) **CLAIM**

The ornamental design for a container with perforated punch out dispenser, as shown and described.

DESCRIPTION

FIG. 1 is an angled top perspective view of the container with perforated punch out dispenser for packaging and dispensing of bags.
 FIG. 2 is a front view thereof.
 FIG. 3 is a left side view thereof.
 FIG. 4 is a right side view thereof.
 FIG. 5 is a bottom view thereof; and,
 FIG. 6 is a top view thereof.
 The claimed design includes a back of the container with perforated punch out dispenser that is plain and devoid of markings.
 The claimed design includes broken lines designating a perforated punch out dispenser shown on the front of the container.
 The back of the container that is plain and devoid of markings and the broken lines designating the perforated punch out dispenser are part of the claimed design. The broken lines designating tucked flaps on the left side shown in FIGS. 1 and 3 are not part of the claimed design.
