(57) **CLAIM**

The ornamental design for an eye-drop bottle reservoir, as shown and described.

DESCRIPTION

FIG. 1 is a side isometric view of a an eye-drop bottle reservoir of the present invention;

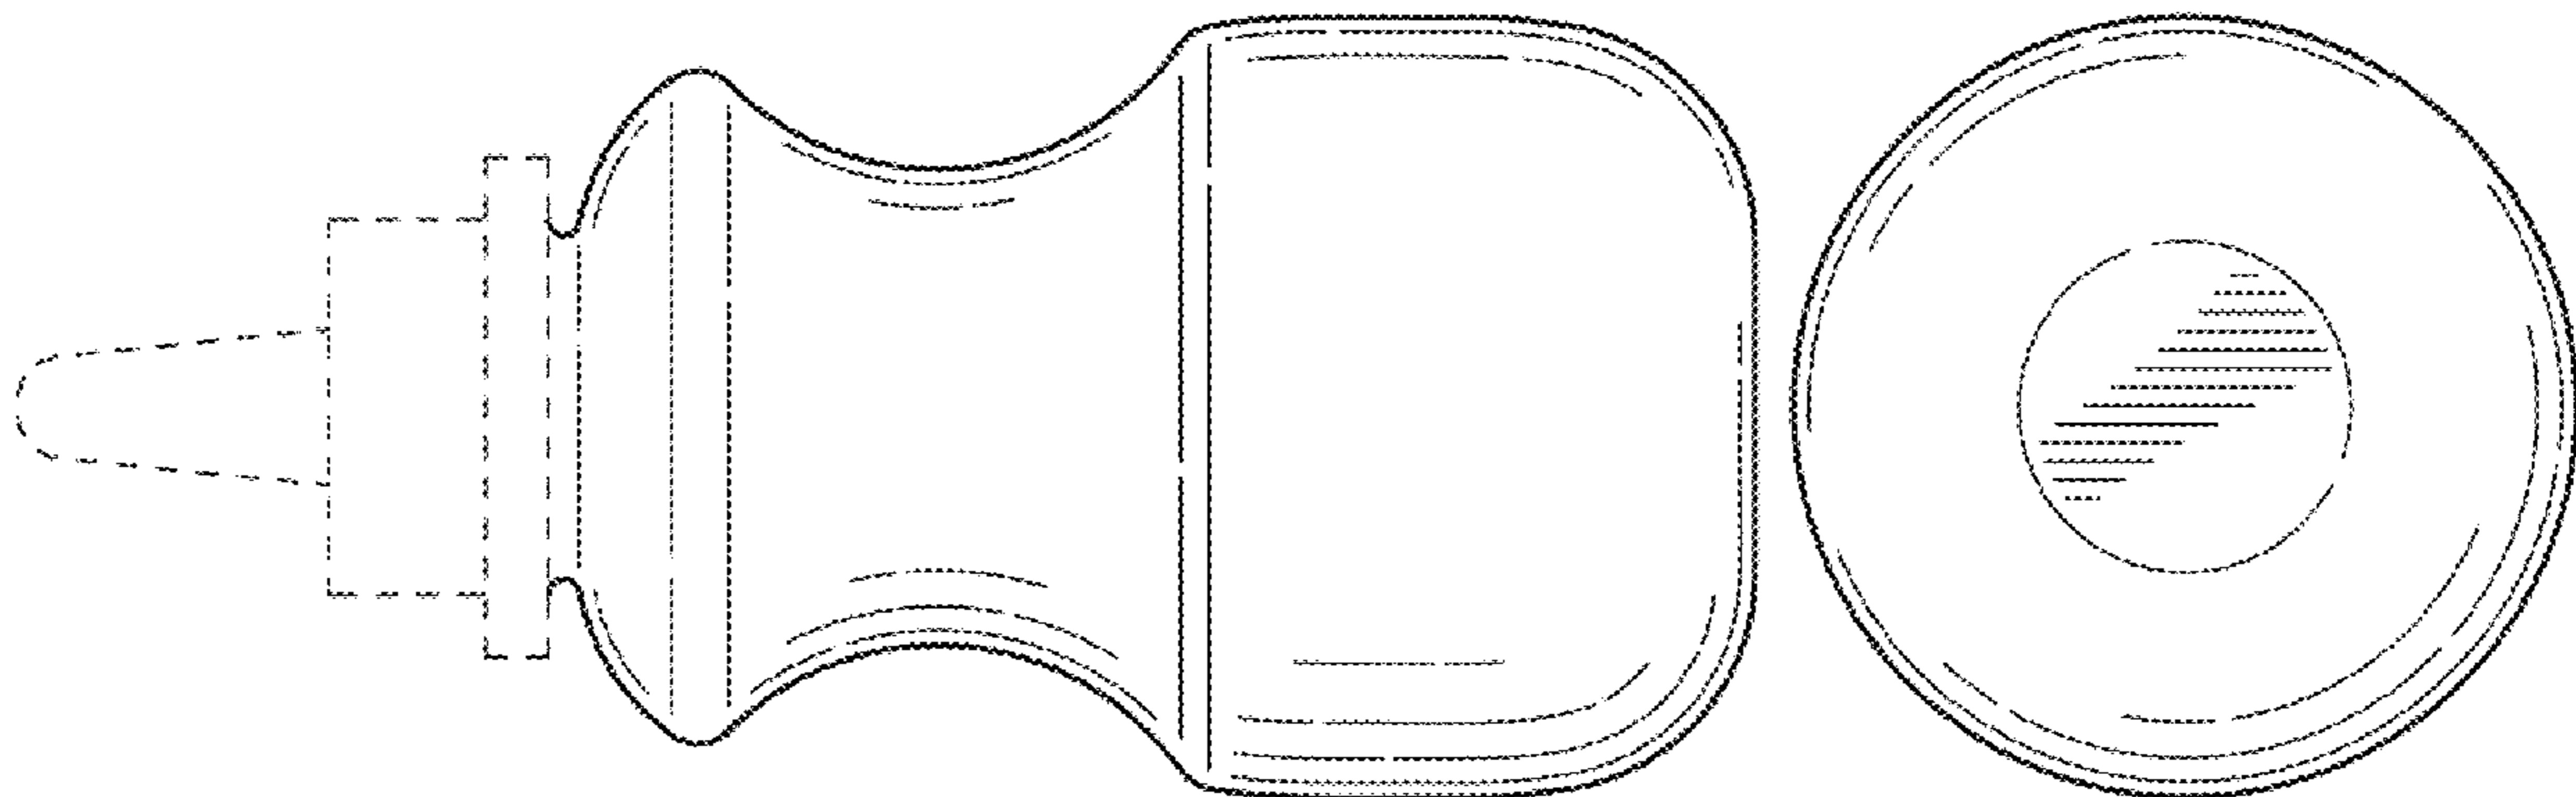

FIG. 2 is a side elevation view thereof, the opposing side elevation view being identical;

FIG. 3 is a front elevation view thereof; and,

FIG. 4 is a rear elevation view thereof.

The broken lines shown represent environmental material related to the claimed design and form no part of the claimed design.
