(57) **CLAIM**

The ornamental design for a display panel or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display panel or portion thereof with graphical user interface showing our design. The outermost broken line rectangle illustrates a display panel or portion thereof that forms no part of the claimed design. The remaining broken lines, including all text, illustrate portions of the graphical user interface or a mixed reality environment, and form no part of the claimed design.
