(57) **CLAIM**

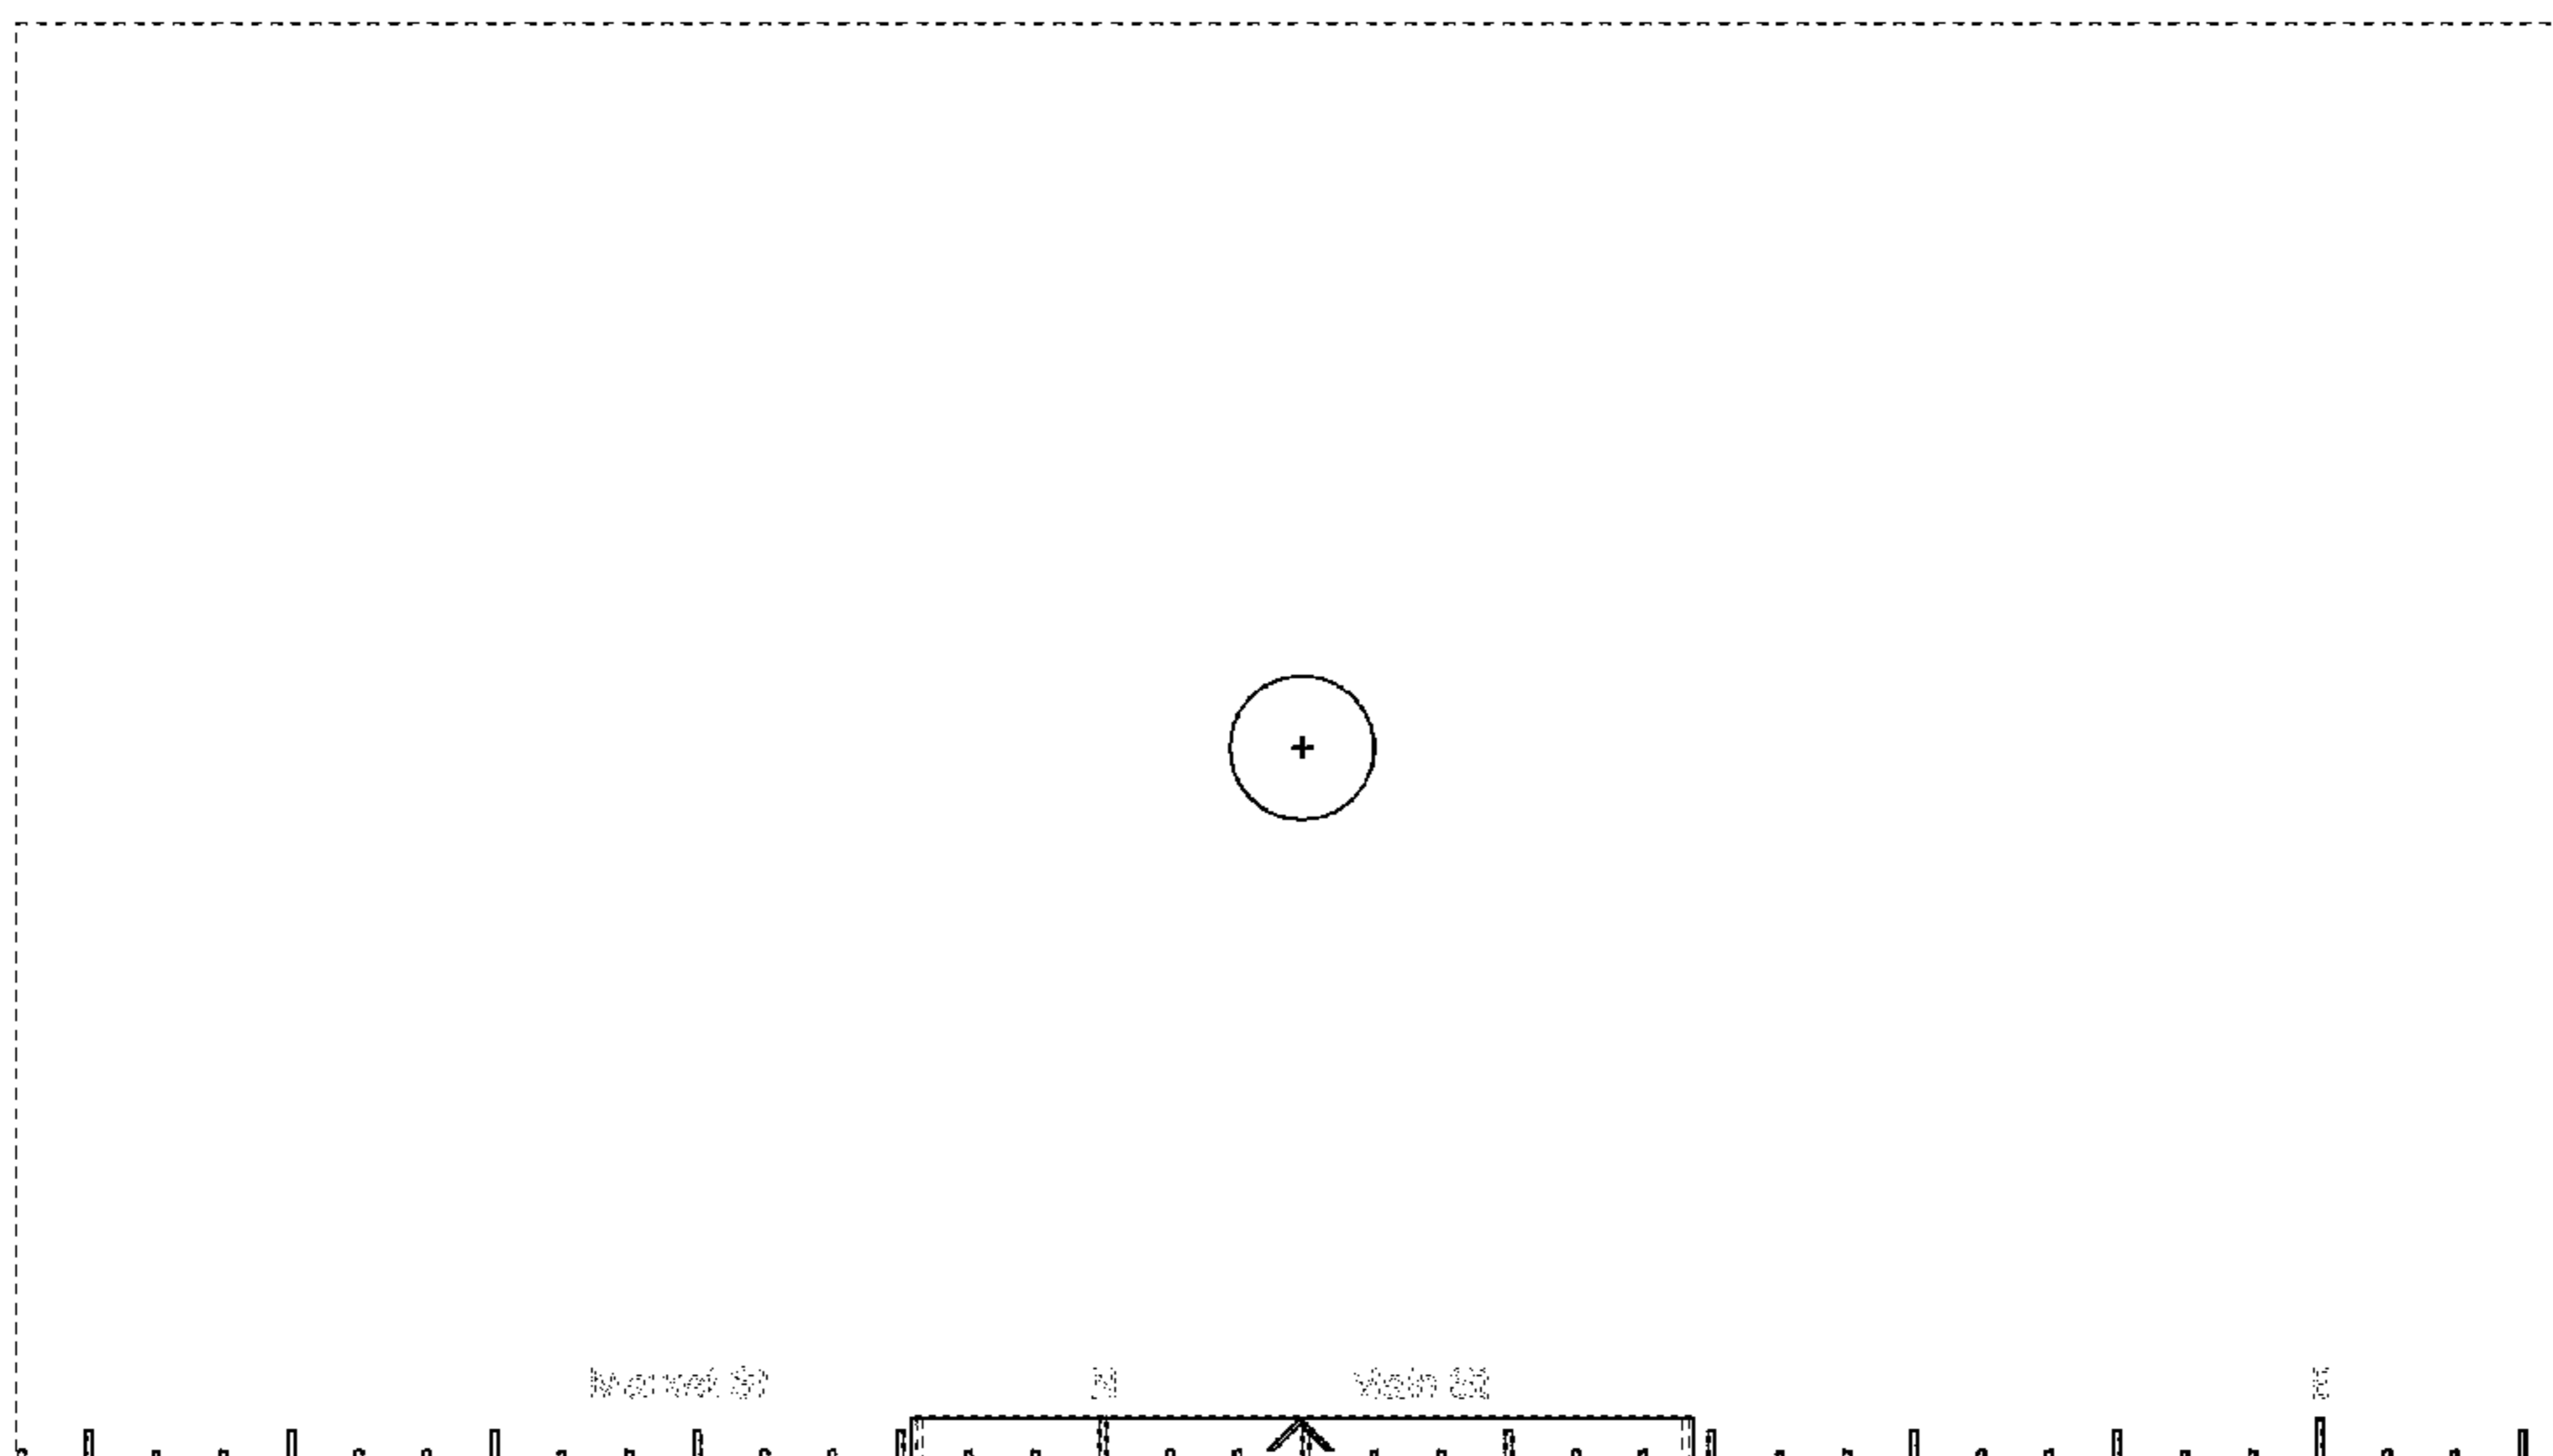

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface according to my design.

The dashed broken lines at the perimeter of the figure illustrate the display screen or portion thereof, and the broken line showing of text illustrates portions of the graphical user interface. None of the broken lines form part of the claimed design.
