(57) **CLAIM**

The ornamental design for a vehicle fluid line connector base, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the vehicle fluid line connector base, the view depicting an example installation in which the article can be employed;  
FIG. 2 is a perspective view of the vehicle fluid line connector base shown in isolation;  
FIG. 3 is a top view thereof;  
FIG. 4 is a bottom view thereof;  
FIG. 5 is a front view thereof;  
FIG. 6 is a rear view thereof;  
FIG. 7 is a rightside view thereof; and,  
FIG. 8 is a leftside view thereof.

The dash-dash broken lines in the drawings illustrate portions of the vehicle fluid line connector base that form no part of the claimed design. The dash-dot broken lines in the drawings illustrate a partial boundary between claimed and unclaimed portions on top and bottom surfaces of the vehicle fluid line connector base.
