(57) CLAIM

I claim the ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen with graphical user interface, showing my new design. The outermost broken-line rectangle illustrates the perimeter of a display screen and forms no part of the claimed design. The remaining broken lines illustrate portions of the graphical user interface and form no part of the claimed design. All of the lines within the circular element appearing in the upper left of the display screen are illustrated with broken lines and form no part of the claimed design.
