(57) **CLAIM**

The ornamental design for an electronic device with icon, as shown and described.

DESCRIPTION

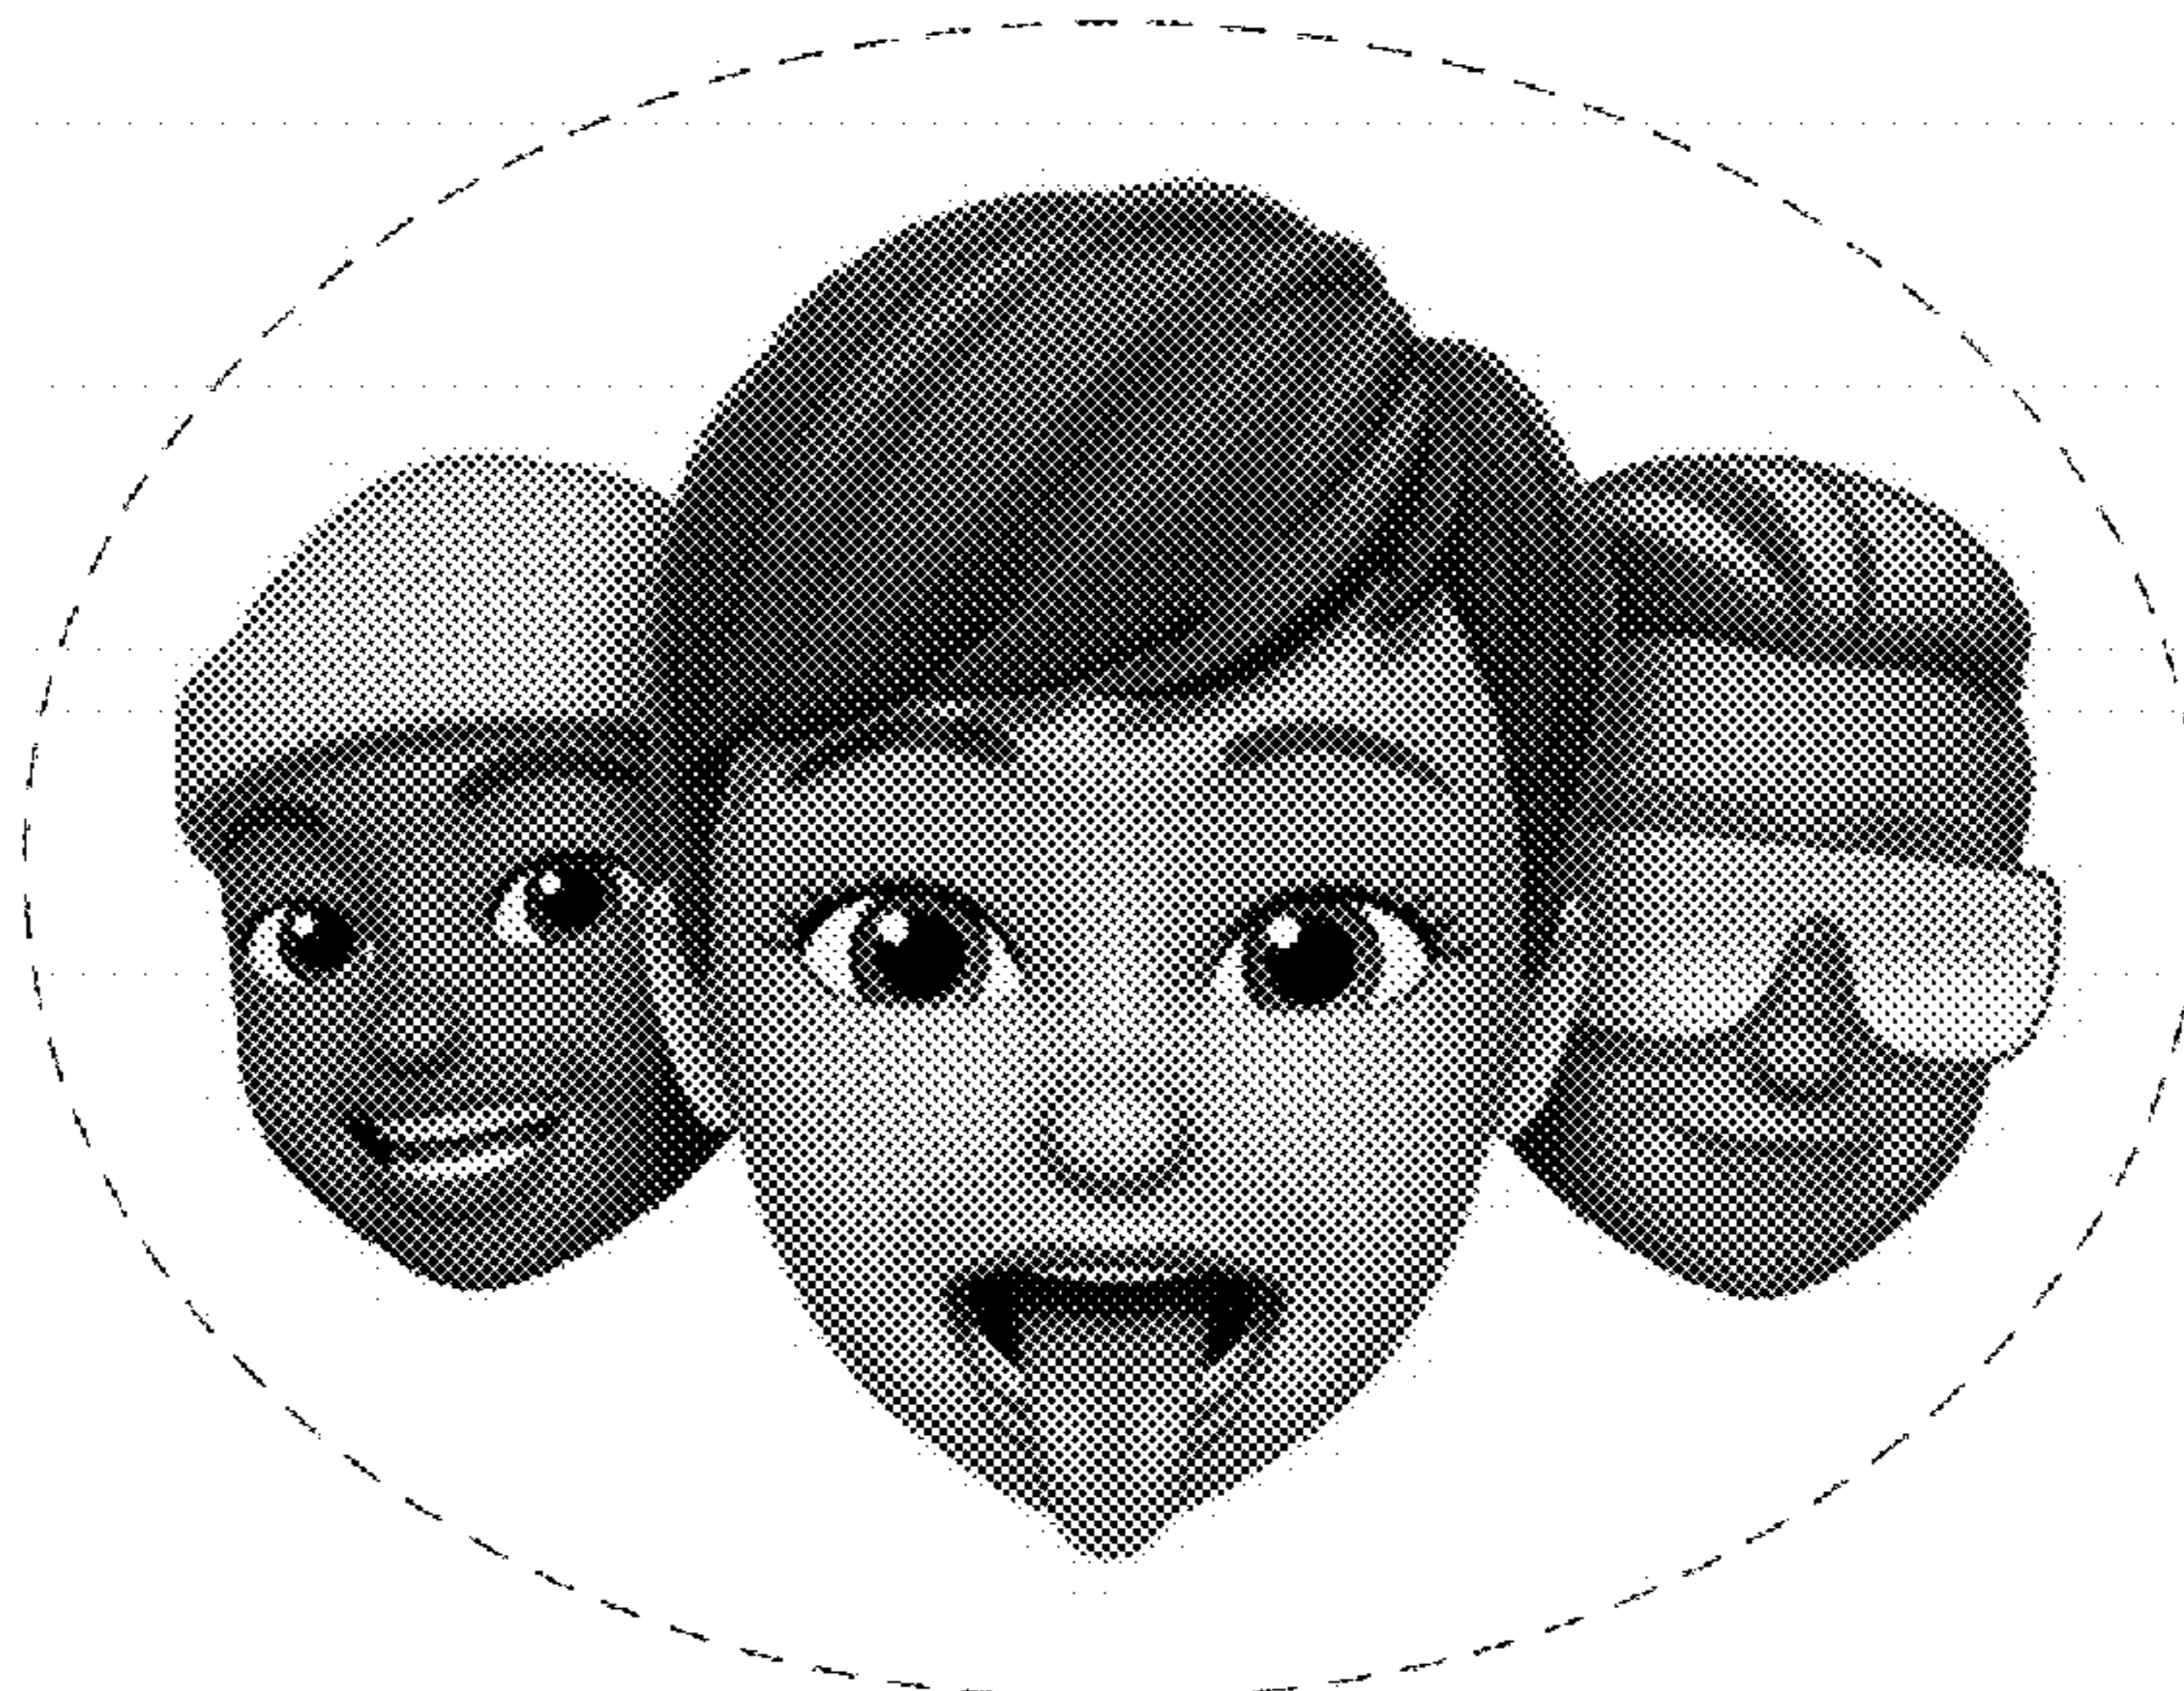

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.
FIG. 1 is a front view of an electronic device with icon showing the claimed design; and,
FIG. 2 is a front view of another electronic device with the icon of FIG. 1 applied thereto.
The outer broken lines in the figures show a display screen or portion thereof, or an electronic device having a display screen, and form no part of the claimed design. The other broken lines in FIG. 2 show portions of the icon that form no part of the claimed design.
