(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of the ornamental design for a display screen with graphical user interface.

The portion of the user interface shown in broken lines forms no part of the claimed design. The outermost broken line rectangle in the FIGURE shows the display screen, and forms no part of the claimed design. All other broken lines show portions of the display screen with graphical user interface and form no part of the claimed design.
