(57) **CLAIM**

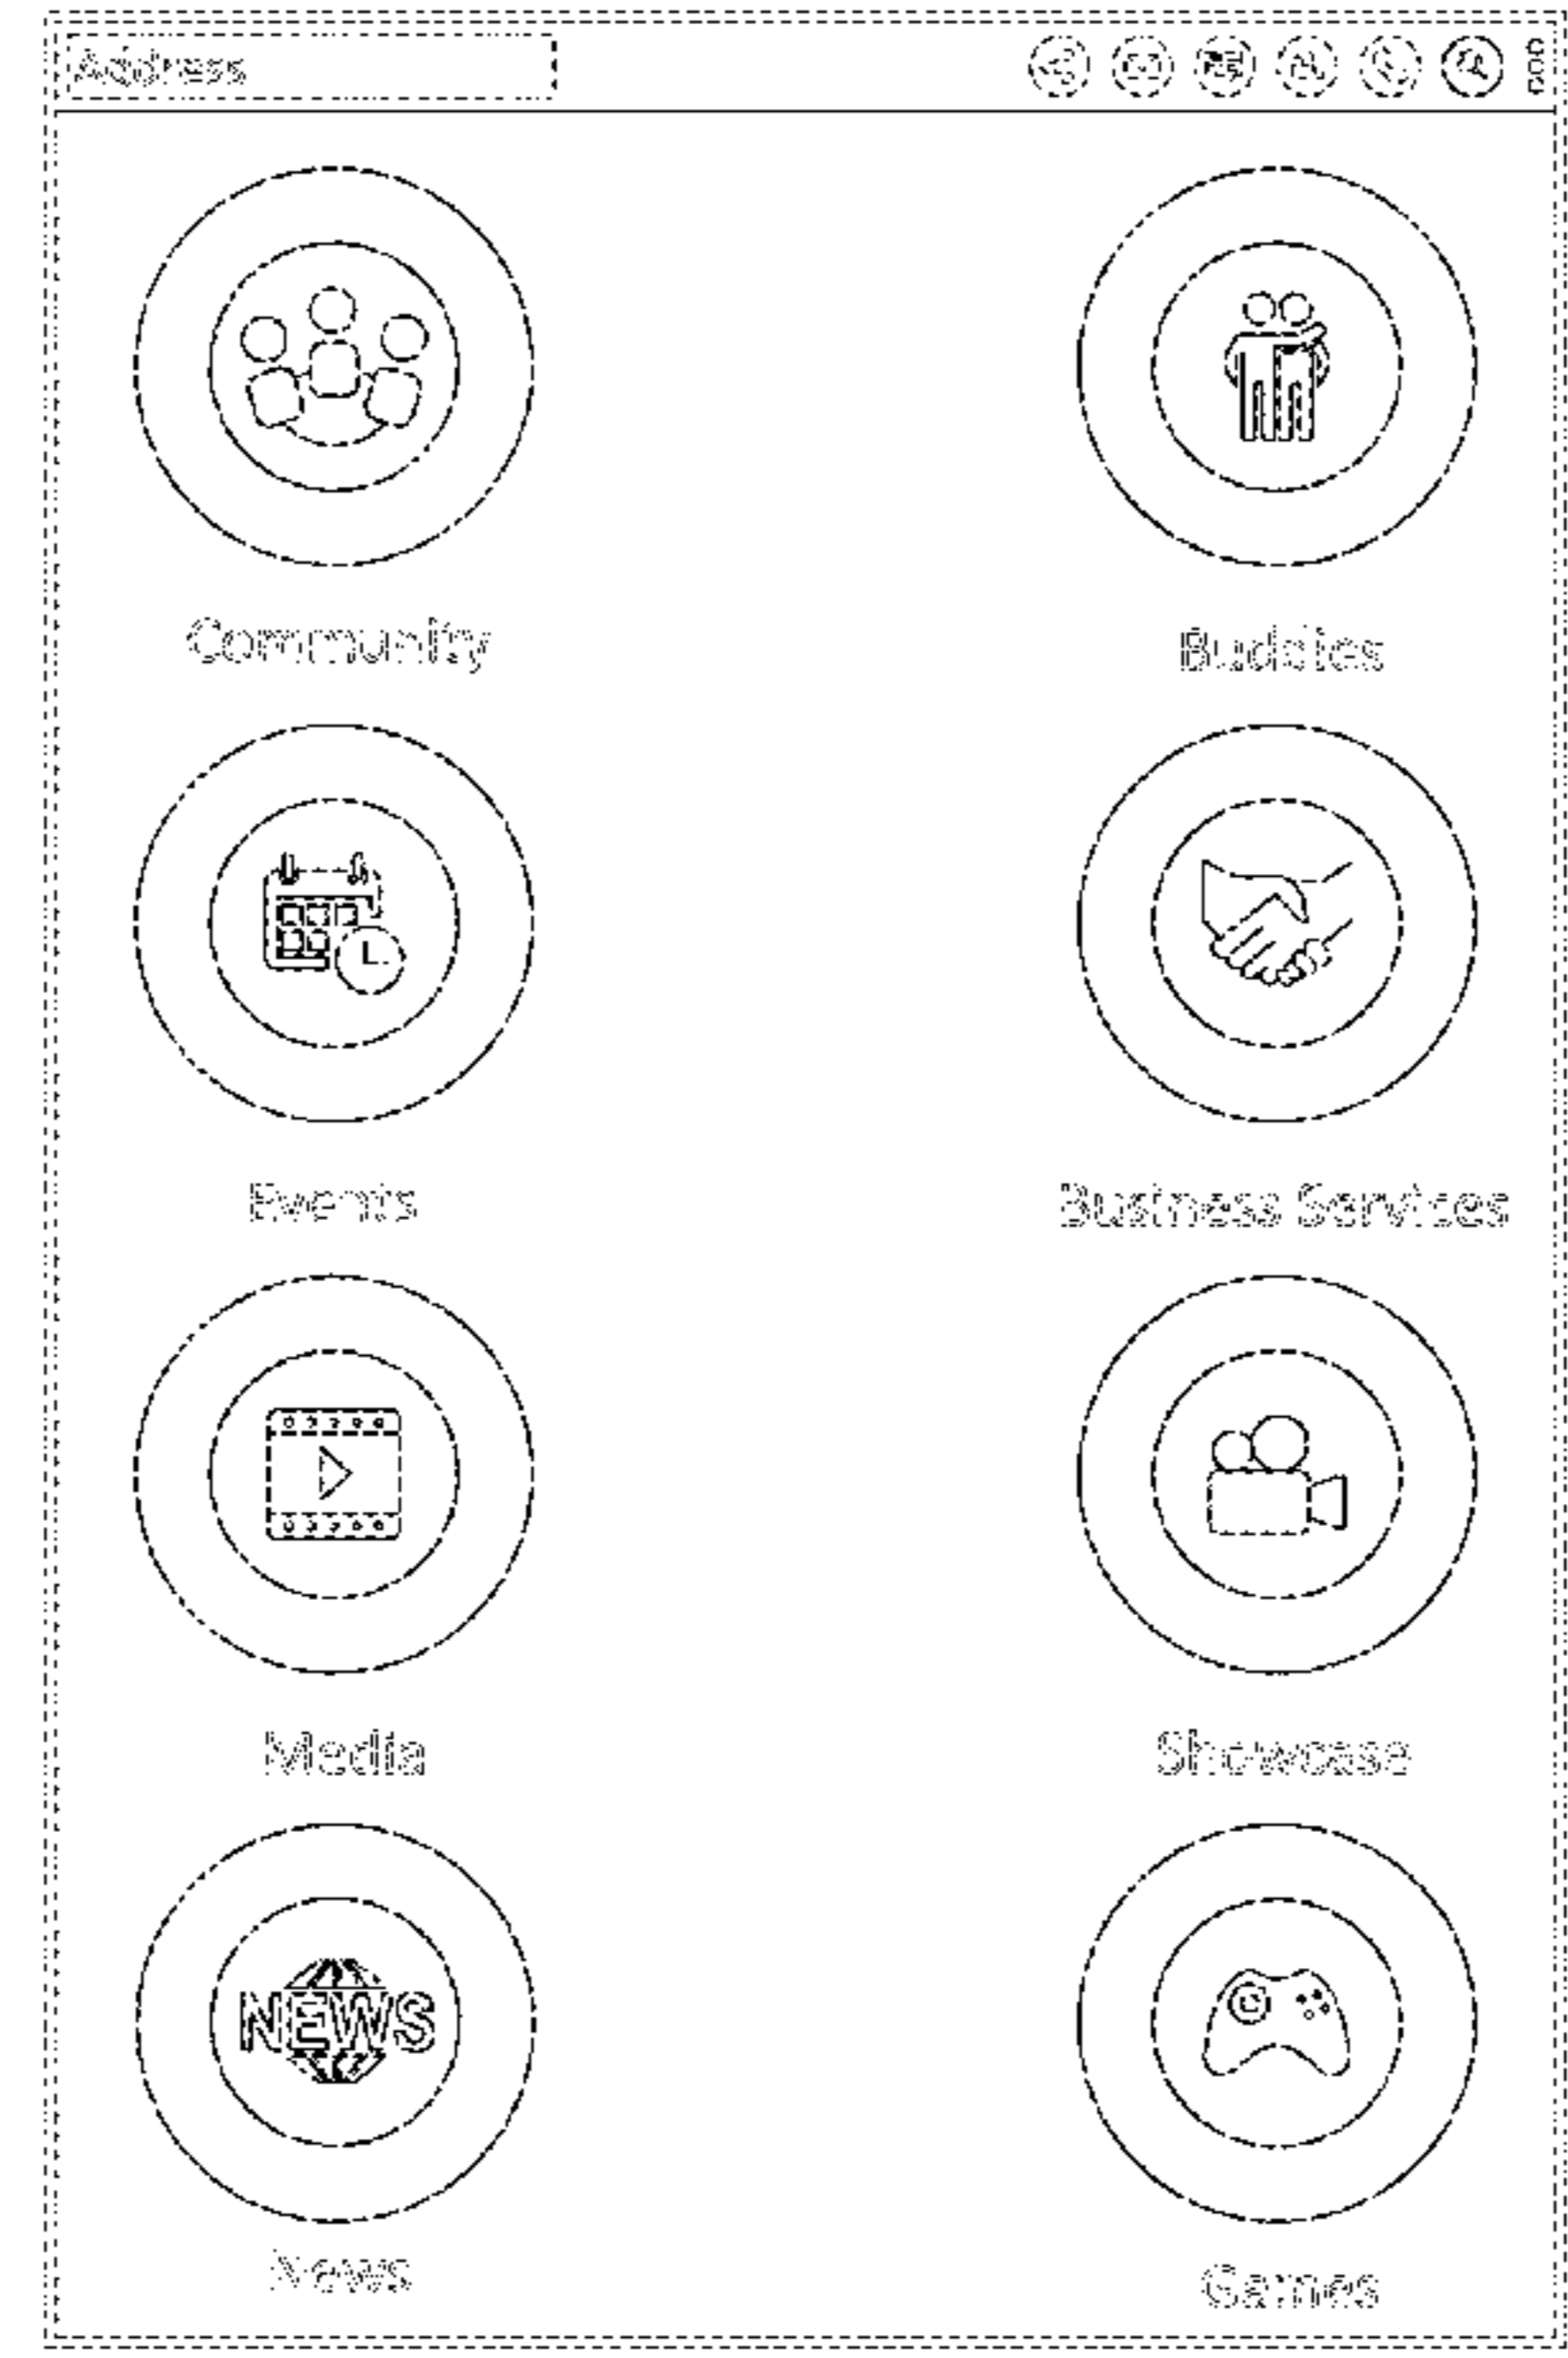

The ornamental design for a display screen or portion thereof with a graphical user interface with channel icons for a native super application homepage, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with a graphical user interface with channel icons for a native super application homepage showing my new design.

The broken lines showing the device, device display screen, portion thereof, or other features form no part of the claimed design. However, content shown in solid lines within the broken lines are part of the claimed design.

1 Claim, 1 Drawing Sheet
