DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design according to a first embodiment;
FIG. 2 is a front view of a display screen or portion thereof with graphical user interface showing our new design according to a second embodiment; and,
FIG. 3 is a front view of a display screen or portion thereof with graphical user interface showing our new design according to a third embodiment.
The outer perimeter shown in broken line in the drawings illustrates a display screen or portion thereof and forms no

(Continued)

part of the claimed design. The remaining broken lines in the drawings illustrate portions of the graphical user interface that form no part of the claimed design.
