(57) **CLAIM**

The ornamental design for an electronic display for a wearable device presenting a graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an electronic display for a wearable device presenting a graphical user interface, showing our new design; and,

FIG. 2 is an enlarged front view of the detail identified in area 2 thereof.

The dashed line showing of the electronic display for a wearable device presenting a graphical user interface is for the purpose of illustrating portions of the electronic display for a wearable device presenting a graphical user interface and forms no part of the claimed design.

The dashed-dotted lines depict the boundaries of the claimed design and form no part thereof.
