(57) **CLAIM**

The ornamental design for a quick assembly stacking display case, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the quick assembly stacking display case with multiple middle section components inserted;

FIG. 2 is an exploded perspective view of the same;

FIG. 3 is an exploded perspective view of the quick assembly stacking display case with no middle section components inserted;

FIG. 4 is an exploded perspective view of the quick assembly stacking display case with one middle section component inserted;

FIG. 5 is a perspective view of the top section of the quick assembly stacking display case;

FIG. 6 is a front elevation view thereof, with the right elevation, left elevation, and rear elevation being a mirror image of the left;

FIG. 7 is a top view thereof;

FIG. 8 is a bottom view thereof;

FIG. 9 is a perspective view of a middle section of the quick assembly stacking display case;

FIG. 10 is a front elevation view thereof, with the right elevation, left elevation, and rear elevation being a mirror image of the left;

FIG. 11 is a top view thereof;

FIG. 12 is a bottom view thereof;

FIG. 13 is a perspective view of the bottom section of the quick assembly stacking display case;

FIG. 14 is a front elevation view thereof, with the right elevation, left elevation, and rear elevation being a mirror image of the left;

FIG. 15 is a top view thereof; and,

FIG. 16 is a bottom view thereof.

The broken lines depict environmental subject matter, are for illustration only, and form no part of the claimed design.

1 Claim, 16 Drawing Sheets
