See application file for complete search history.

FIG. 1 is the first image in a sequence for a display screen
or portion thereof with transitional graphical user interface
showing our new design;

FIG. 2 is the second image thereof;

FIG. 3 is the third image thereof;

FIG. 4 is the fourth image thereof;

FIG. 5 is the fifth image thereof; and,

FIG. 6 is the sixth image thereof.

The outermost broken lines in the figures show the display
screen or portion thereof and form no part of the claimed
design. The remaining broken lines depict portions of the
graphical user interface that form no part of the claimed
design.

The appearance of the transitional graphical user interface
sequentially transitions between the images shown in FIGS.
1 through 6. The process or period in which one image
transitions to another forms no part of the claimed design.
