(57) **CLAIM**

We claim the ornamental design for a display screen or  
portion thereof with graphical user interface, as shown and  
described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen or  
portion thereof with graphical user interface showing our  
new design.

The outer perimeter illustrated by the outermost broken line  
depicts a display screen or portion thereof and forms no part  
of the claimed design.

The remaining broken lines illustrate portions of the graphi-  
cal user interface and form no part of the claimed design.

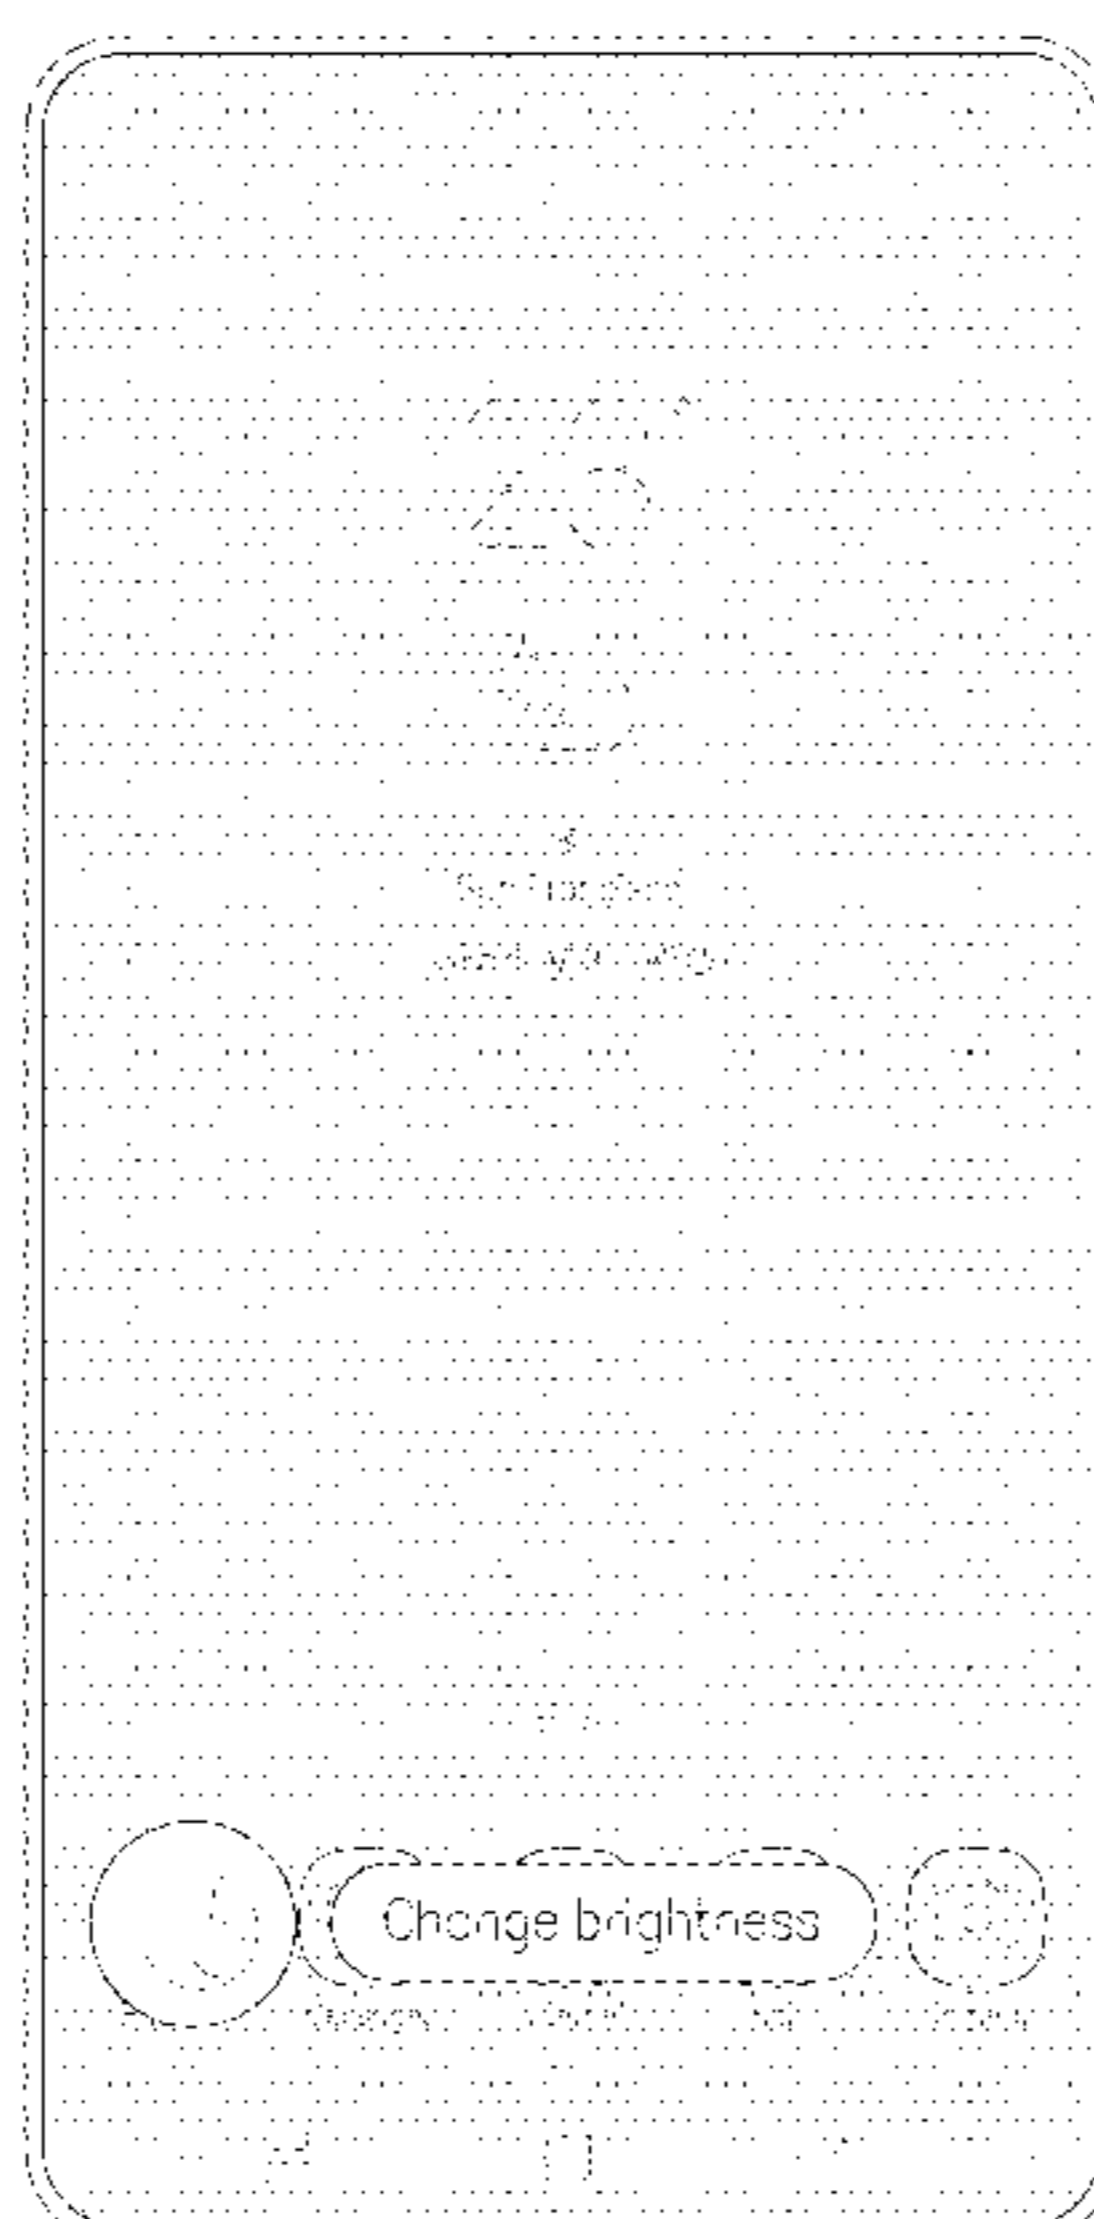

The stippled shading depicts a contrast in appearance.
