(57) **CLAIM**

The ornamental design for an electronic device with graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface, showing a first embodiment of the claimed design; and,

FIG. 2 is a front view of an electronic device having a display screen with graphical user interface, showing a second embodiment of the claimed design.

The outer dashed broken lines in the figures show a display screen or portion thereof, or an electronic device having a display screen, and form no part of the claimed design. The other dashed broken lines in the figures show portions of the graphical user interface, that form no part of the claimed design.
