(57) **CLAIM**

I claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design.

The outer broken lines in the FIGURE depict the display screen or portion thereof and form no part of the claimed design.

The remaining broken lines in the FIGURE depict portions of the graphical user interface that form no part of the claimed design.
