(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface, showing our new design; and, FIG. 2 is an enlarged view of the area within the dotted and dashed lines in FIG. 1.

The dot-dash lines illustrate the bounds of the claimed design and form no part thereof. The outermost broken lines illustrate a display screen and form no part of the claimed design. The remaining broken lines illustrate portions of a graphical user interface and form no part of the claimed design.

1 Claim, 2 Drawing Sheets

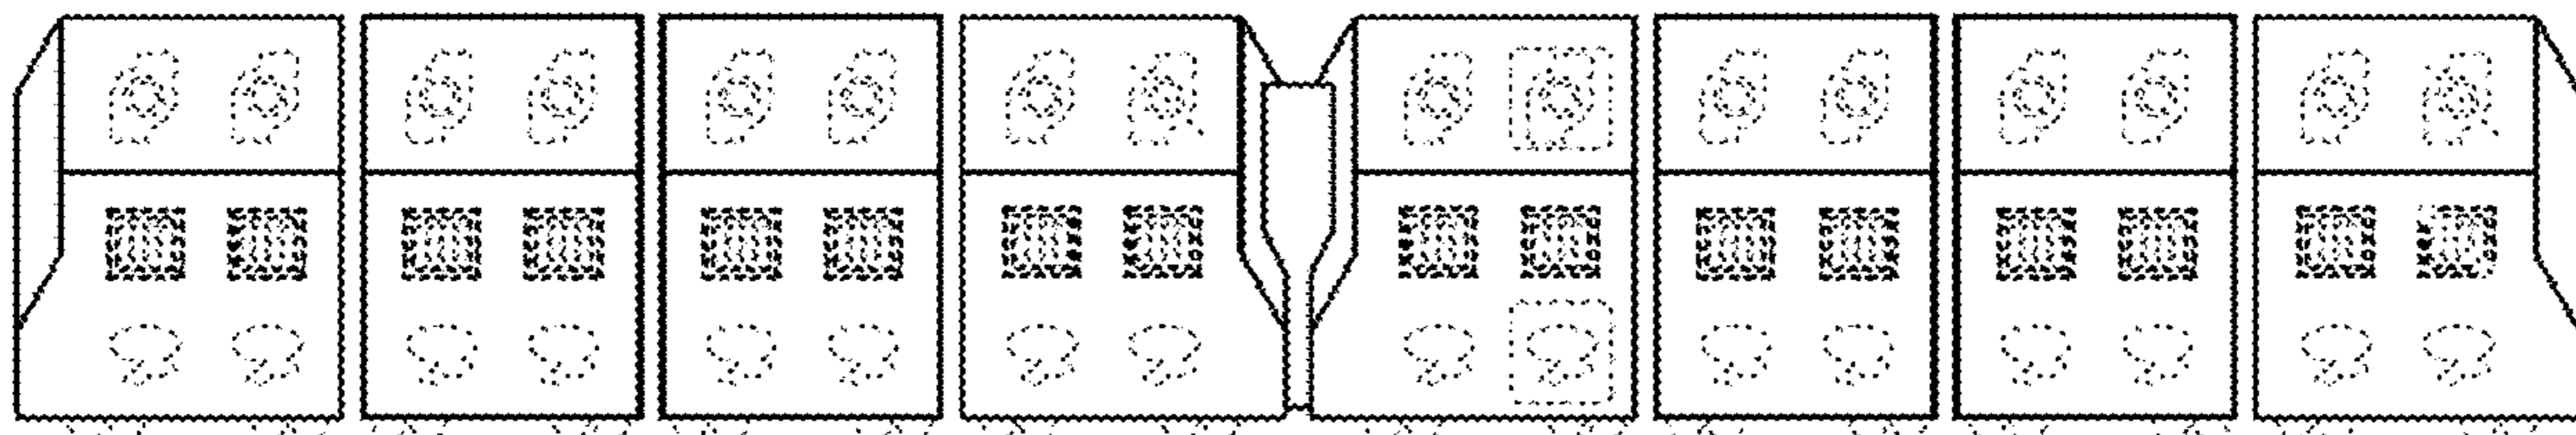

FIG. 1

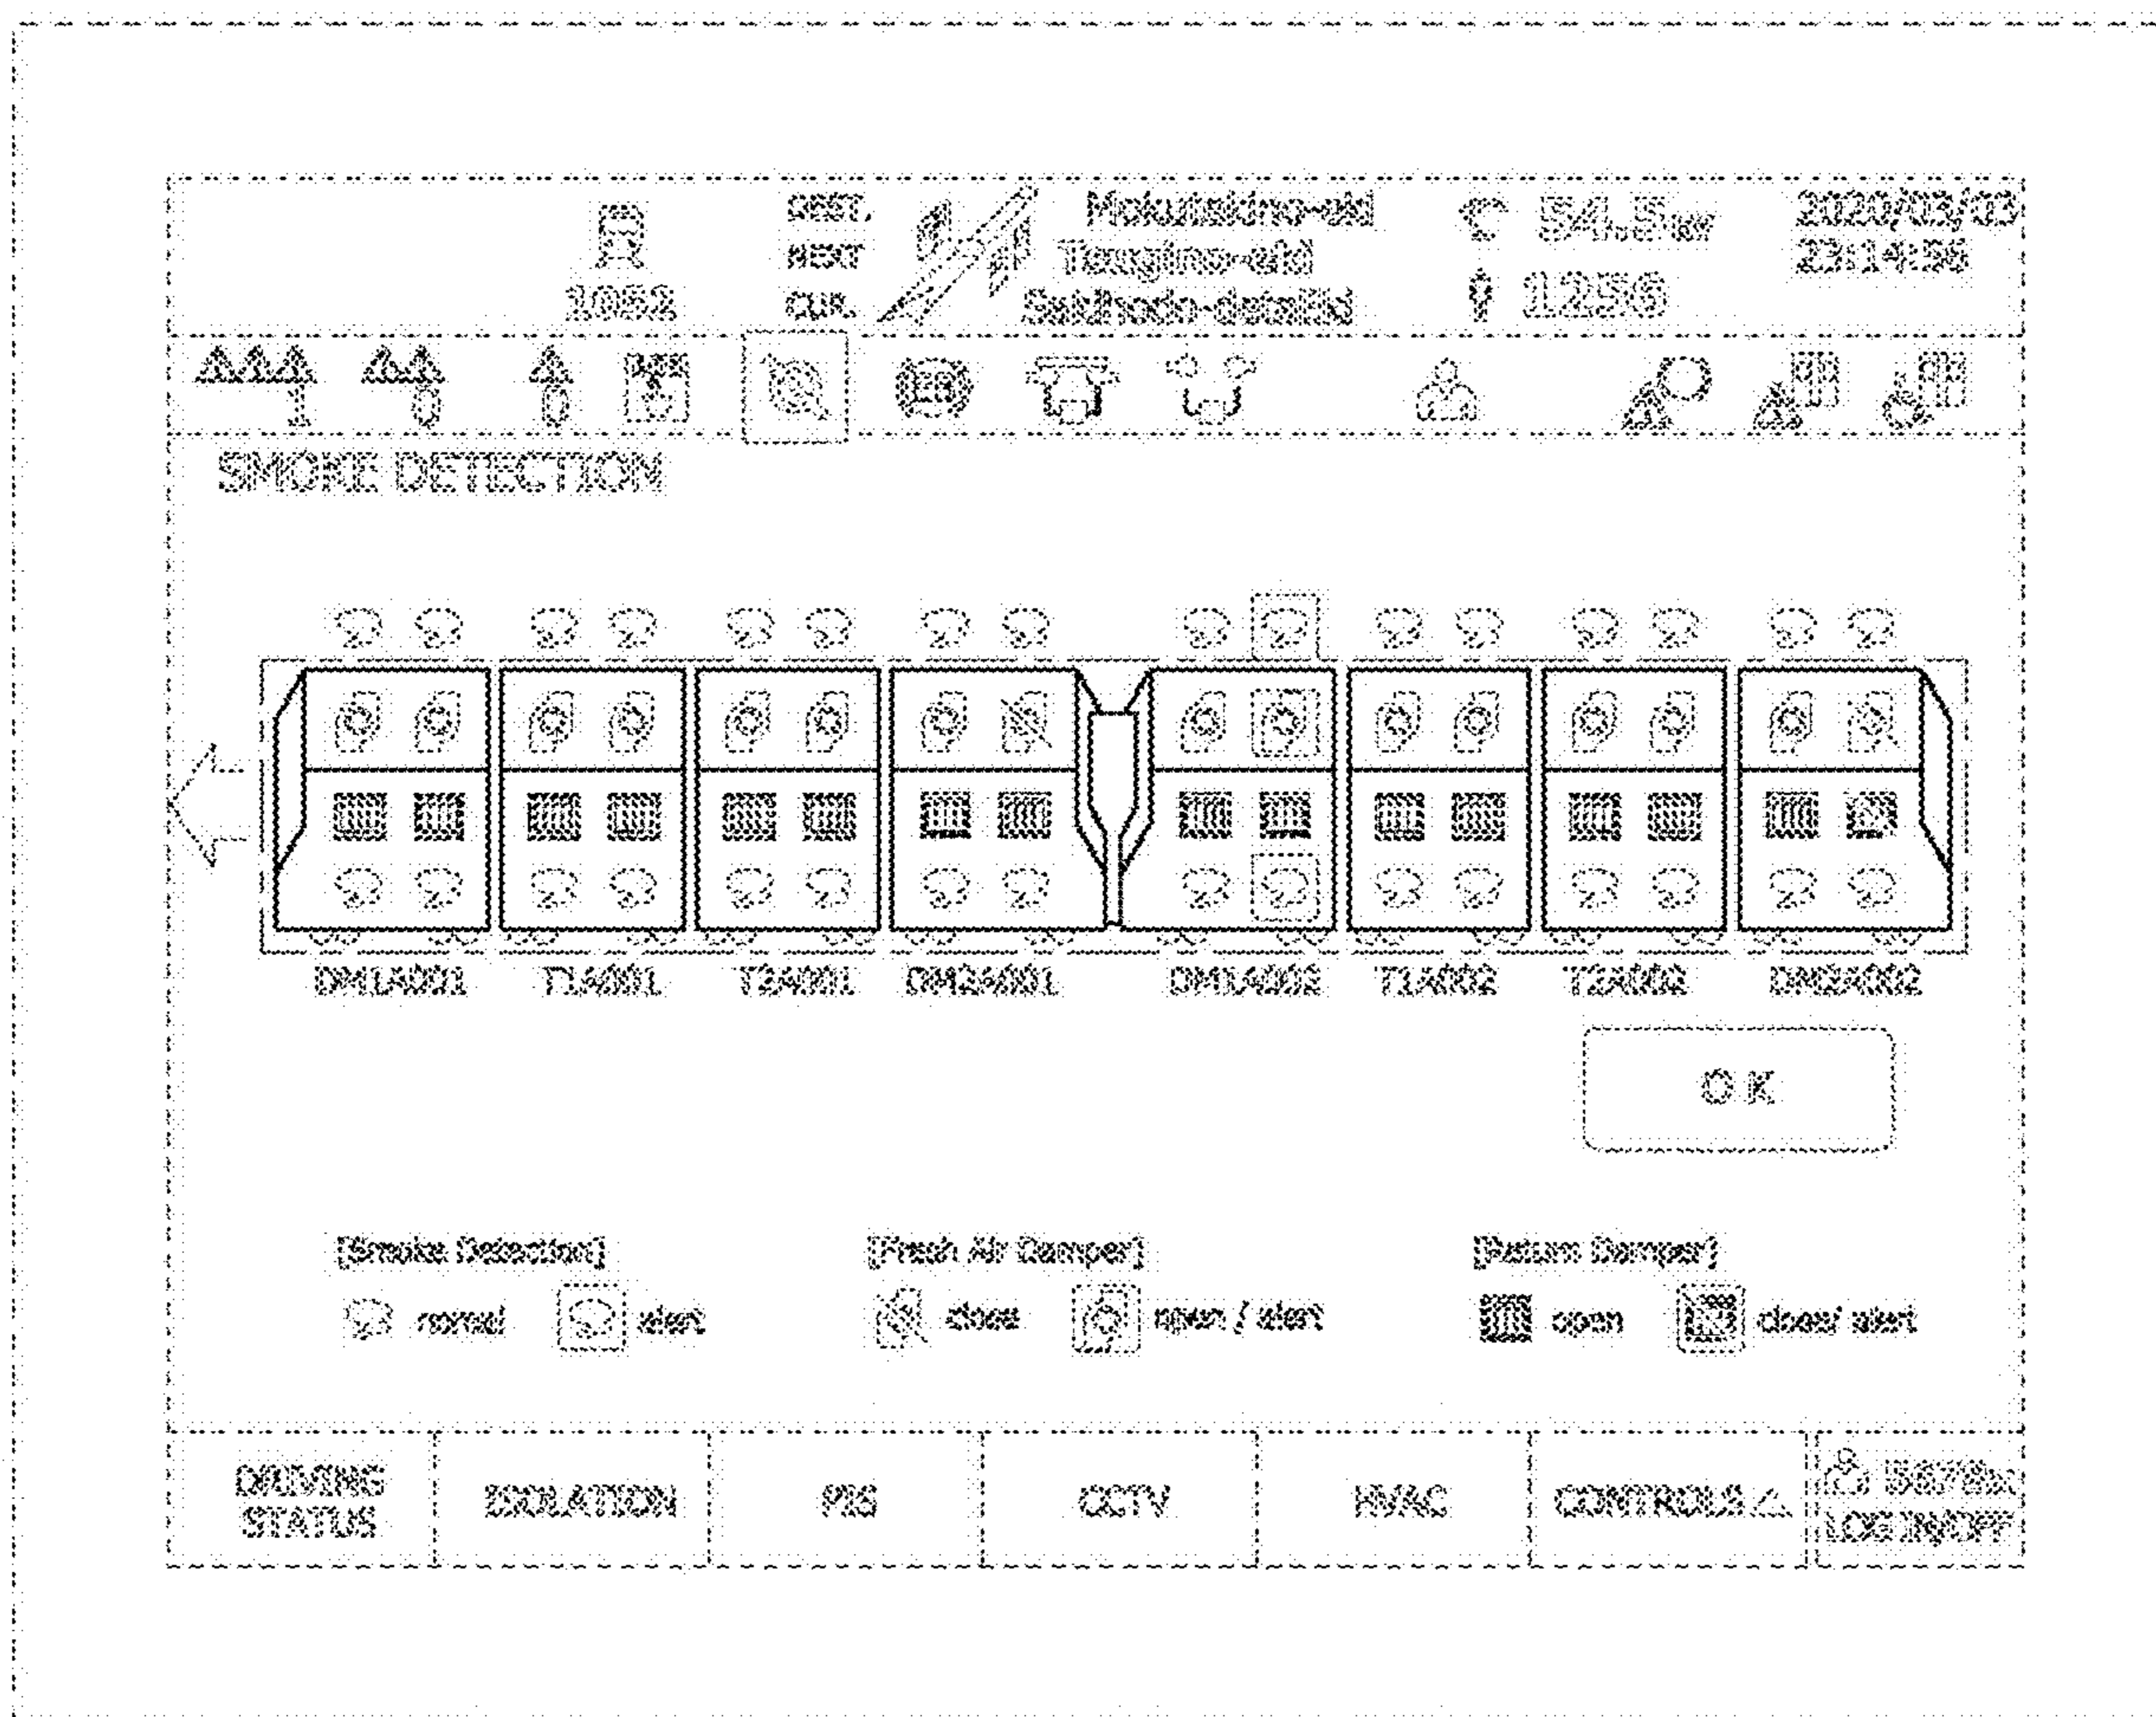

FIG. 2
