(57) **CLAIM**

I claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 shows a first embodiment of a display screen or portion thereof with graphical user interface showing our new design; FIG. 2 shows a second embodiment of the display screen or portion thereof with graphical user interface; and, FIG. 3 shows a third embodiment of the display screen or portion thereof with graphical user interface. The broken lines showing a display screen or portion thereof and portions of the graphical user interface, including all lined-through text, form no part of the claimed design.
