(57) **CLAIM**

We claim the ornamental design for an instrument panel for a welder, as shown and described.

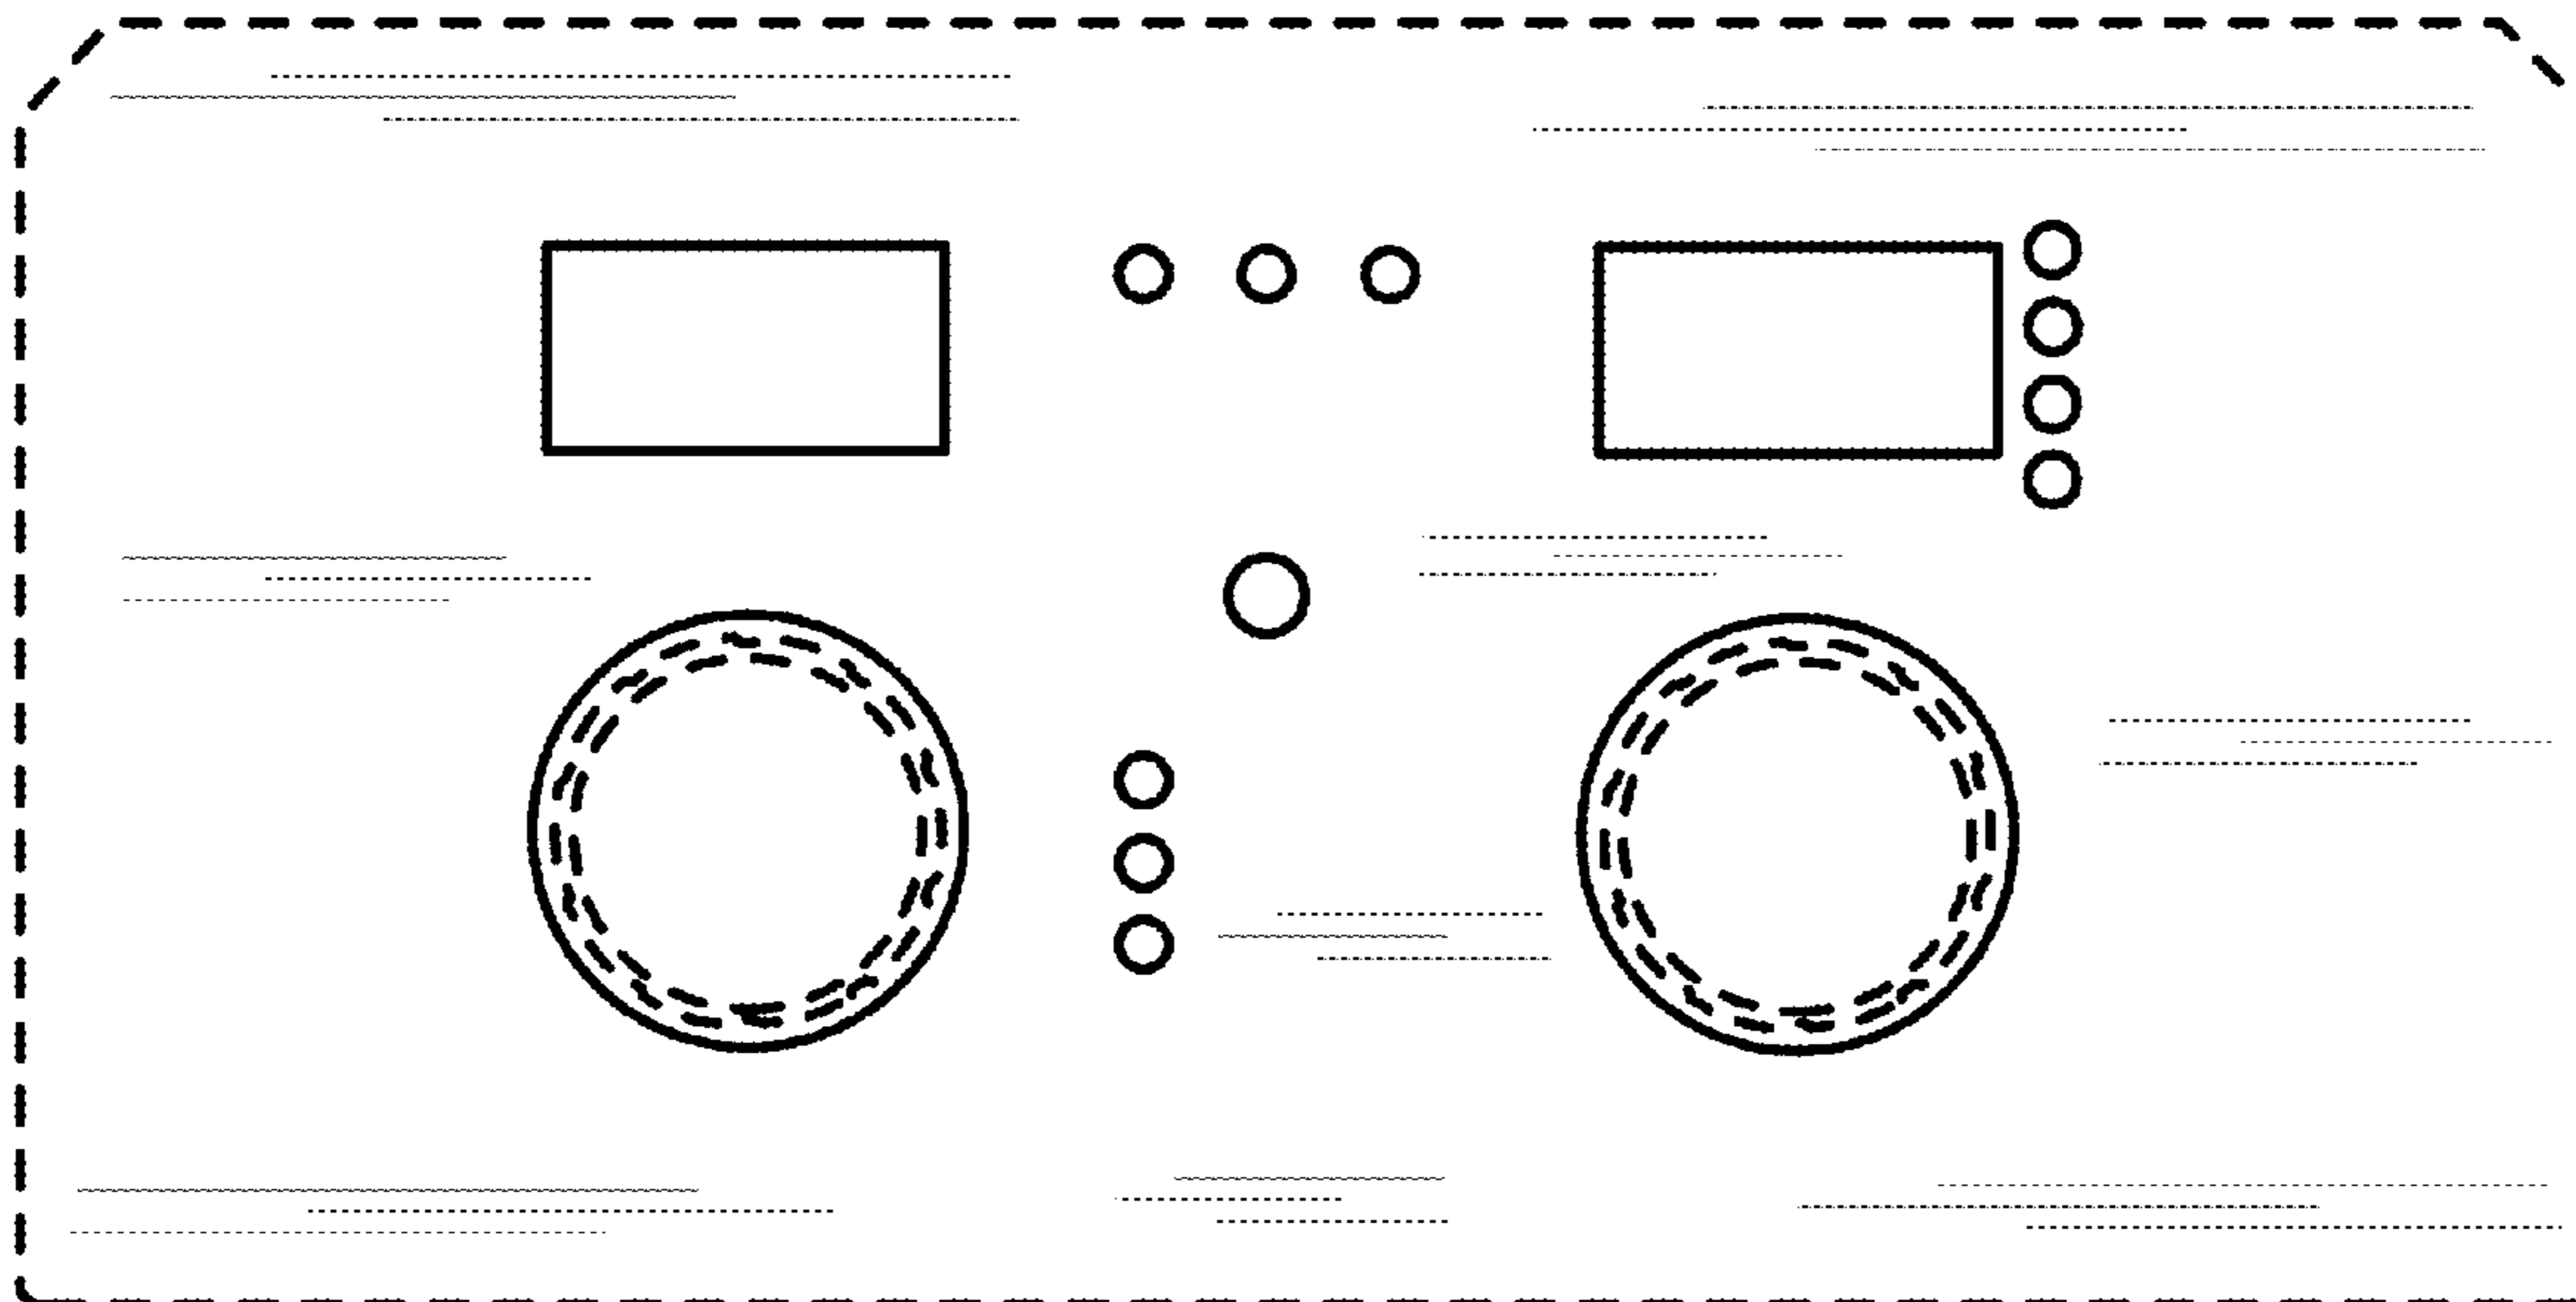

DESCRIPTION

The sole FIGURE shows a plan view of an instrument panel for a welder showing our new design.

The design for an instrument panel for a welder is embodied in a panel of nominal thickness with the sides and back, not shown, forming no part of the claimed design.

The broken lines in the figure represent unclaimed portions of the instrument panel for a welder and form no portion of the claimed design.
