(57) **CLAIM**

I claim the ornamental design for a magazine loader, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, left perspective view of the magazine loader.

FIG. 2 is a left side view of the magazine loader.

FIG. 3 is a right side view of the magazine loader.

FIG. 4 is a front view of the magazine loader; and,

FIG. 5 is a rear view of the magazine loader.

The broken lines showing portions of the magazine loader form no part of the claimed design.

Surfaces adjacent any solid line edge, up to any fully-bordered broken line feature or region, form part of the claimed design; surfaces underlying the parallel broken line ribbon at the base of the article, as well as those surfaces underlying the broken line features of the bottom corner feet, form part of the claimed design; it is understood that the surfaces contained within the thin solid line edges, up to where any solid line edge terminates, form part of the claimed design.

1 Claim, 5 Drawing Sheets
