See application file for complete search history.

DESCRIPTION

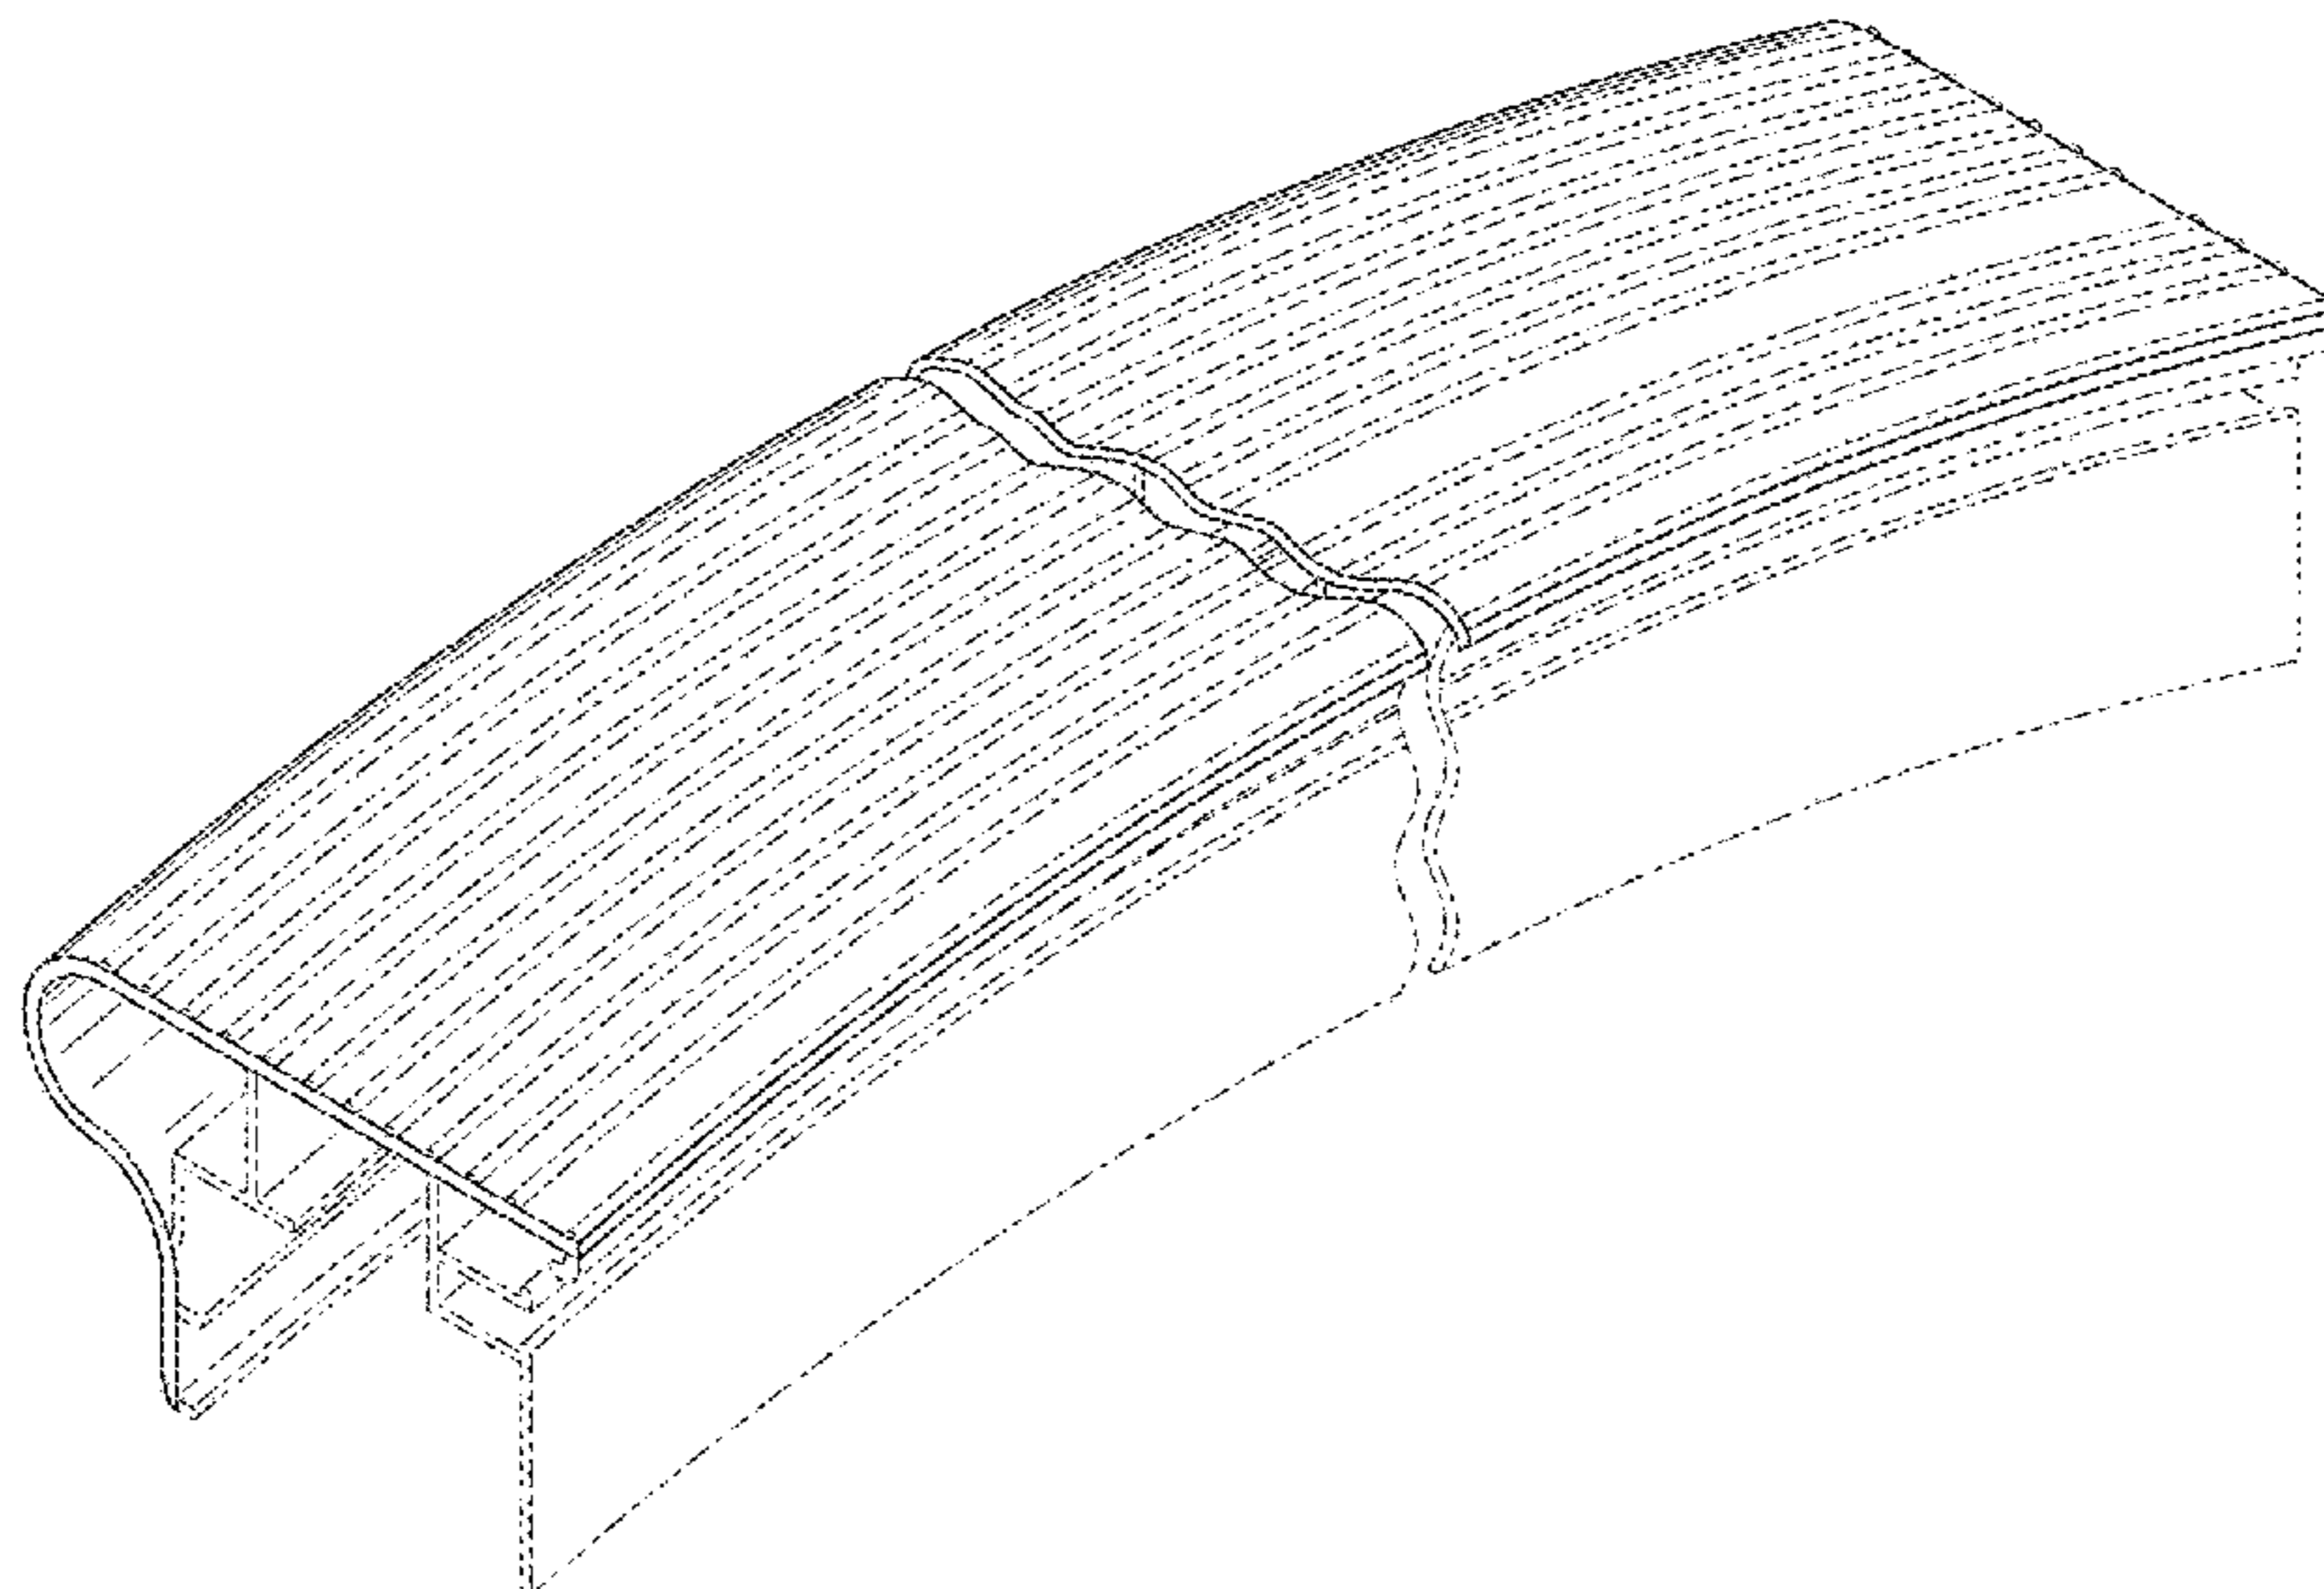

FIG. 1 is a perspective view of a pool coping member showing our new design.
FIG. 2 is a top plan view thereof.
FIG. 3 is a bottom view thereof.
FIG. 4 is a front elevation view thereof.
FIG. 5 is a rear elevation view thereof; and,
FIG. 6 is a left-side elevation view thereof, a right-side elevation view being a mirror image thereof.
The broken lines shown in the Figures illustrate portions of the pool coping member that form no part of the claimed design. The broken lines of FIG. 6 illustrate environmental subject matter only and form no part of the claimed design. The pool coping member is shown with a symbolic break lines in its length. The appearance of any portion of the pool coping member between the symbolic break lines forms no part of the claimed design.
