(57) **CLAIM**

The ornamental design for a portable electric sander, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a portable electric sander in accordance with our new design;
FIG. 2 is a rear perspective view of the portable electric sander in accordance with our new design;
FIG. 3 is a front elevational view of the portable electric sander in accordance with our new design;
FIG. 4 is a rear elevational view of the portable electric sander in accordance with our new design;
FIG. 5 is a top plan view of the portable electric sander in accordance with our new design;
FIG. 6 is a bottom plan view of the portable electric sander in accordance with our new design;
FIG. 7 is a right side elevational view of the portable electric sander in accordance with our new design;
FIG. 8 is a left side elevational view of the portable electric sander, in accordance with our new design; and,
FIG. 9 is a front perspective view of the portable electric sander in accordance with our new design showing when an extension pole is in an extended state and a rechargeable battery is attached to the portable electric sander.
The broken line showing of environment structures in the drawings forms no part of the claimed design.

1 Claim, 8 Drawing Sheets
