(57) **CLAIM**

I claim the ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen or portion thereof with a graphical user interface showing the new design; and, FIG. 2 is a front view of a second embodiment thereof. The broken lines shown in the figures represent portions of the display screen or portion thereof with a graphical user interface that form no part of the claimed design.
