(57) **CLAIM**

The ornamental design for a dissector cone for an endoscope, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a transparent dissector cone for an endoscopic vessel dissector embodying our design. FIG. 2 is a right side elevational view thereof. FIG. 3 is a top plan view thereof. FIG. 4 is a left side elevational view thereof. FIG. 5 is a bottom plan view thereof. FIG. 6 is a rear elevational view thereof. FIG. 7 is a front elevational view thereof; and, FIG. 8 is a longitudinal, cross-sectional view thereof taken along line 8-8 of FIG. 1.

The broken lines in the drawing depict environmental subject matter only and form no part of the claimed design.
