(57) **CLAIM**

The ornamental design for a Holder for attaching fish attractor to a fishing line, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a holder in a closed orientation for attaching fish attractor to a fishing line showing my design.
FIG. 2 is a front side view of the holder, with an opposing rear side view being the same.
FIG. 3 is a perspective view of the holder in an open orientation.
FIG. 4 is a perspective view of an interior portion of one section of the holder; and,
FIG. 5 is a first end view of the holder, with an opposing second end view being the same.

1 Claim, 5 Drawing Sheets
