USPC D14/485–495
CPC G06F 17/246; G06F 17/3005; G06F 17/30112; G06F 17/30716

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

See application file for complete search history.

DESCRIPTION

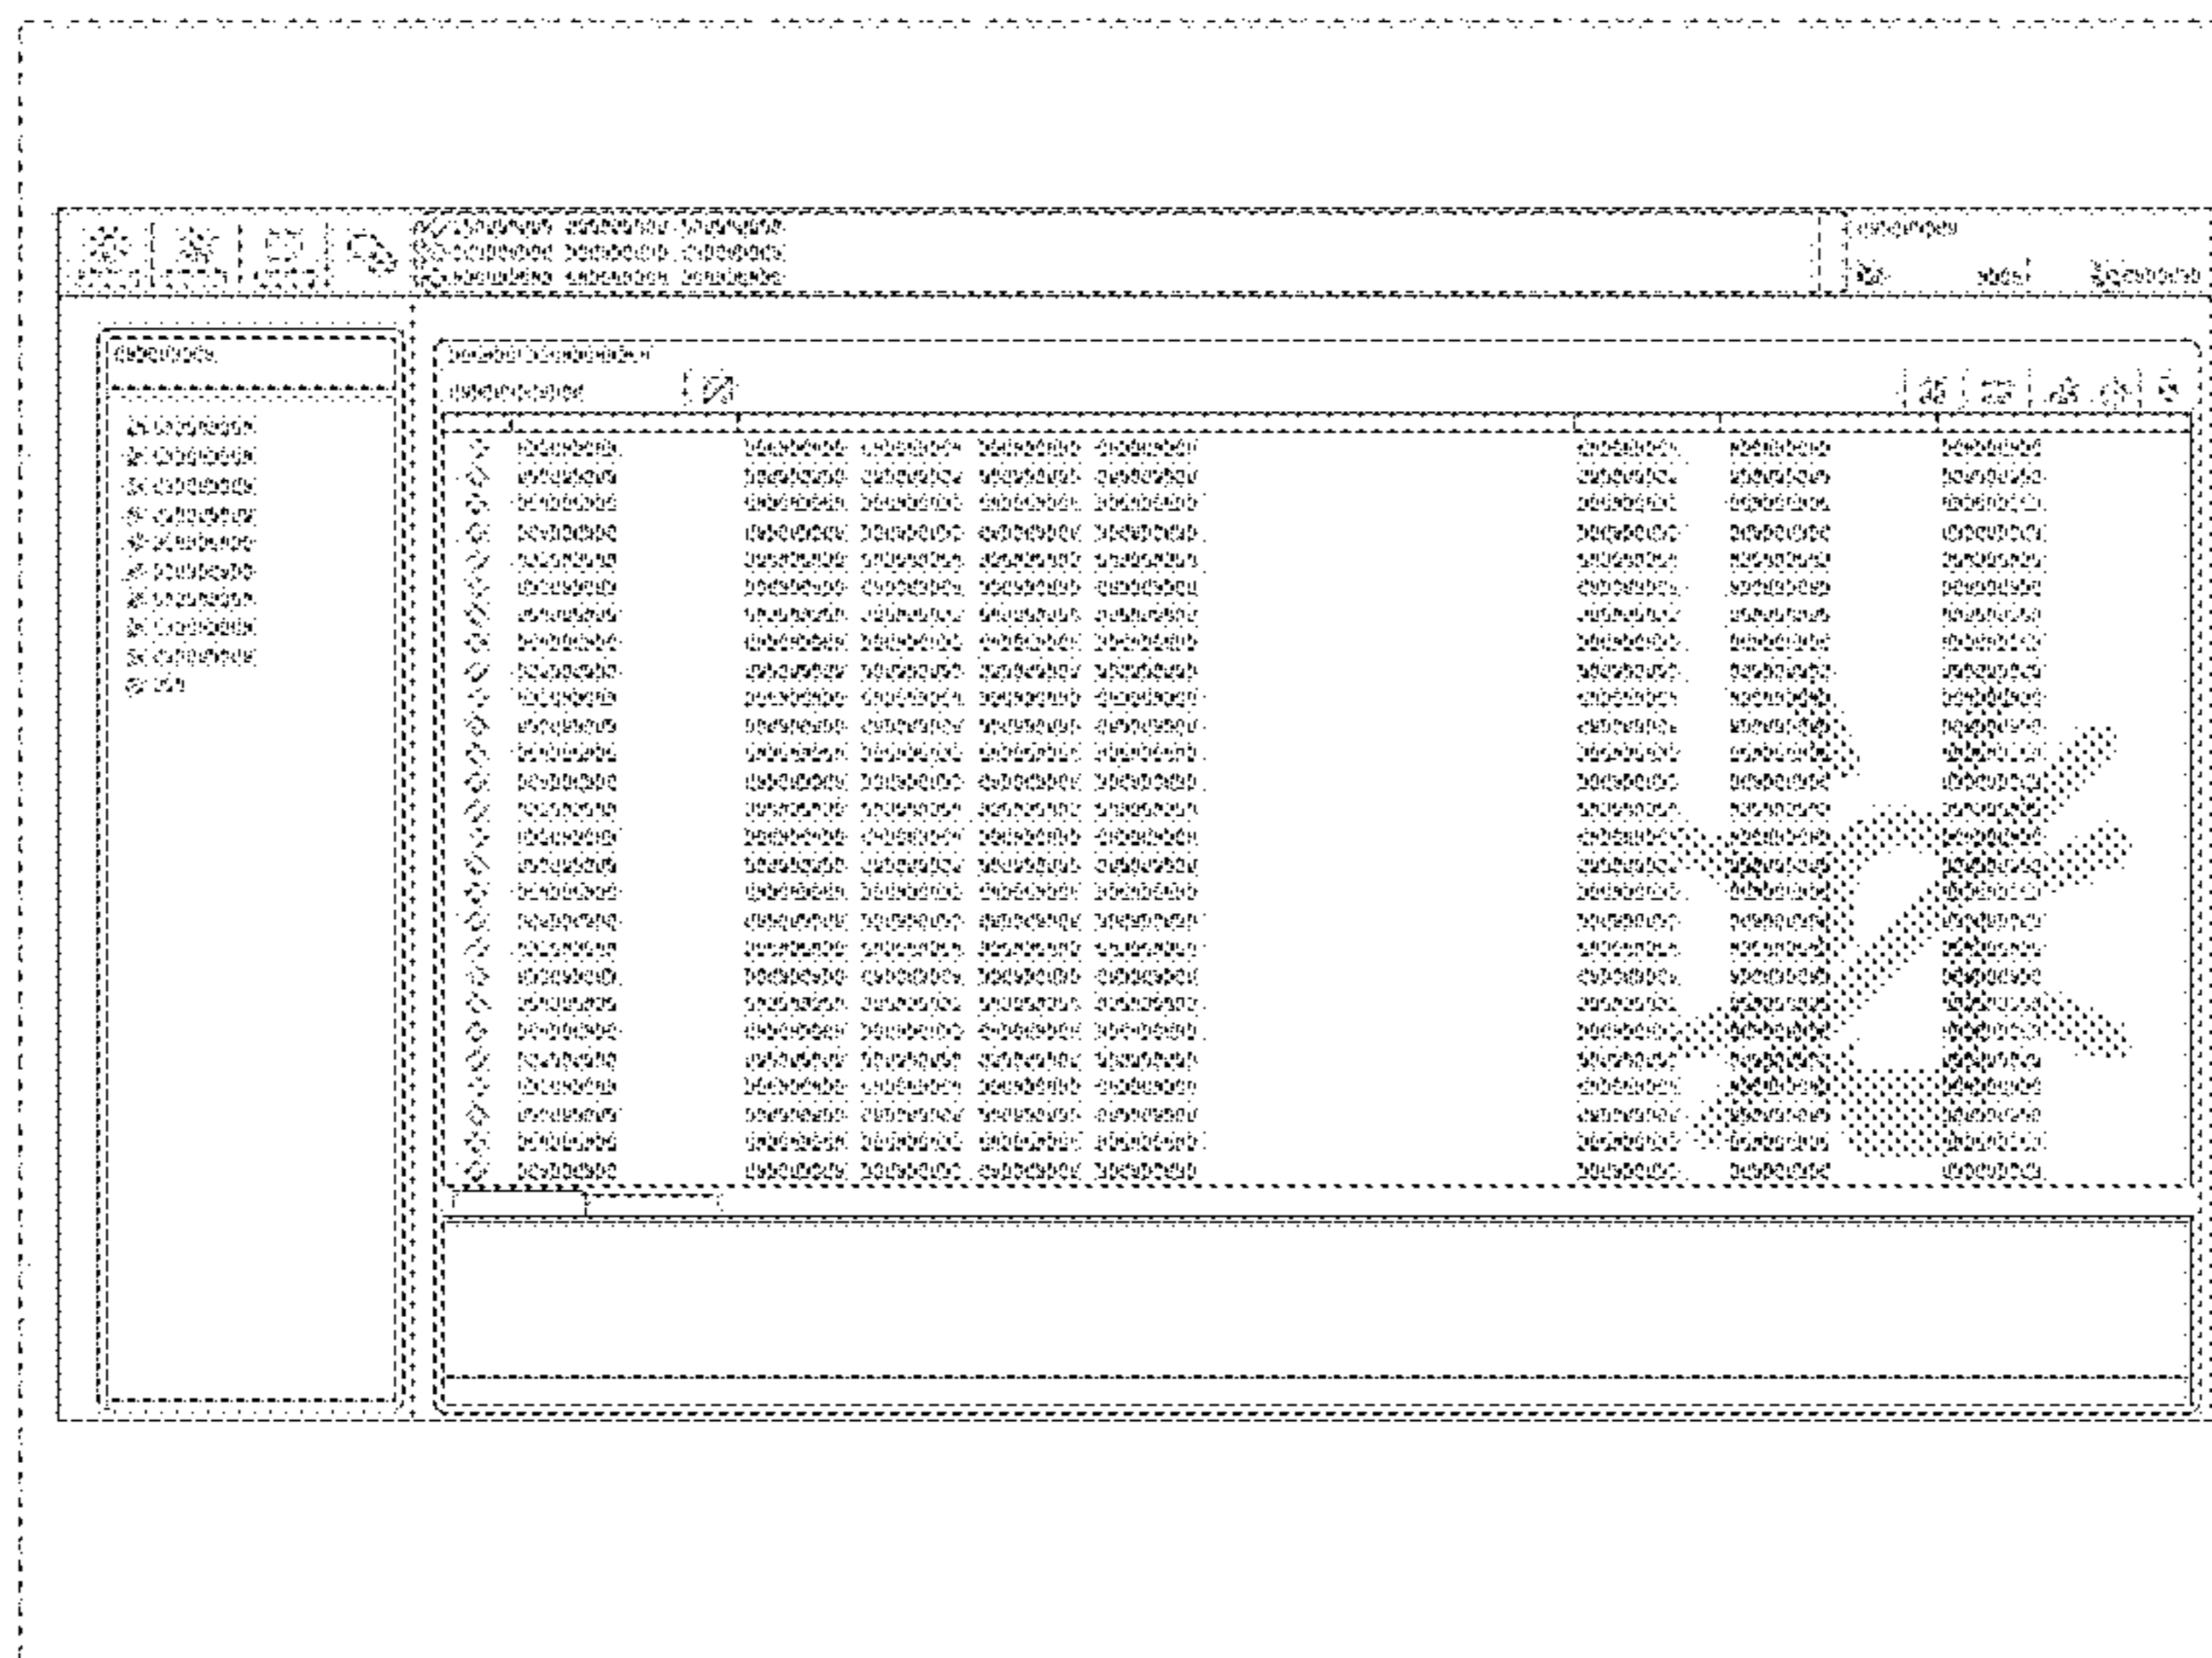

(56) **References Cited**

The sole FIGURE shows a display screen or portion thereof with graphical user interface showing our new design. The peripheral broken line illustrates a display screen or portion thereof and forms no part of the claimed design. The broken lines within the peripheral broken line illustrate portions of the graphical user interface which form no part of the claimed design.
