(57) **CLAIM**

We claim the ornamental design for an instrument panel for a plasma cutter, as shown and described.

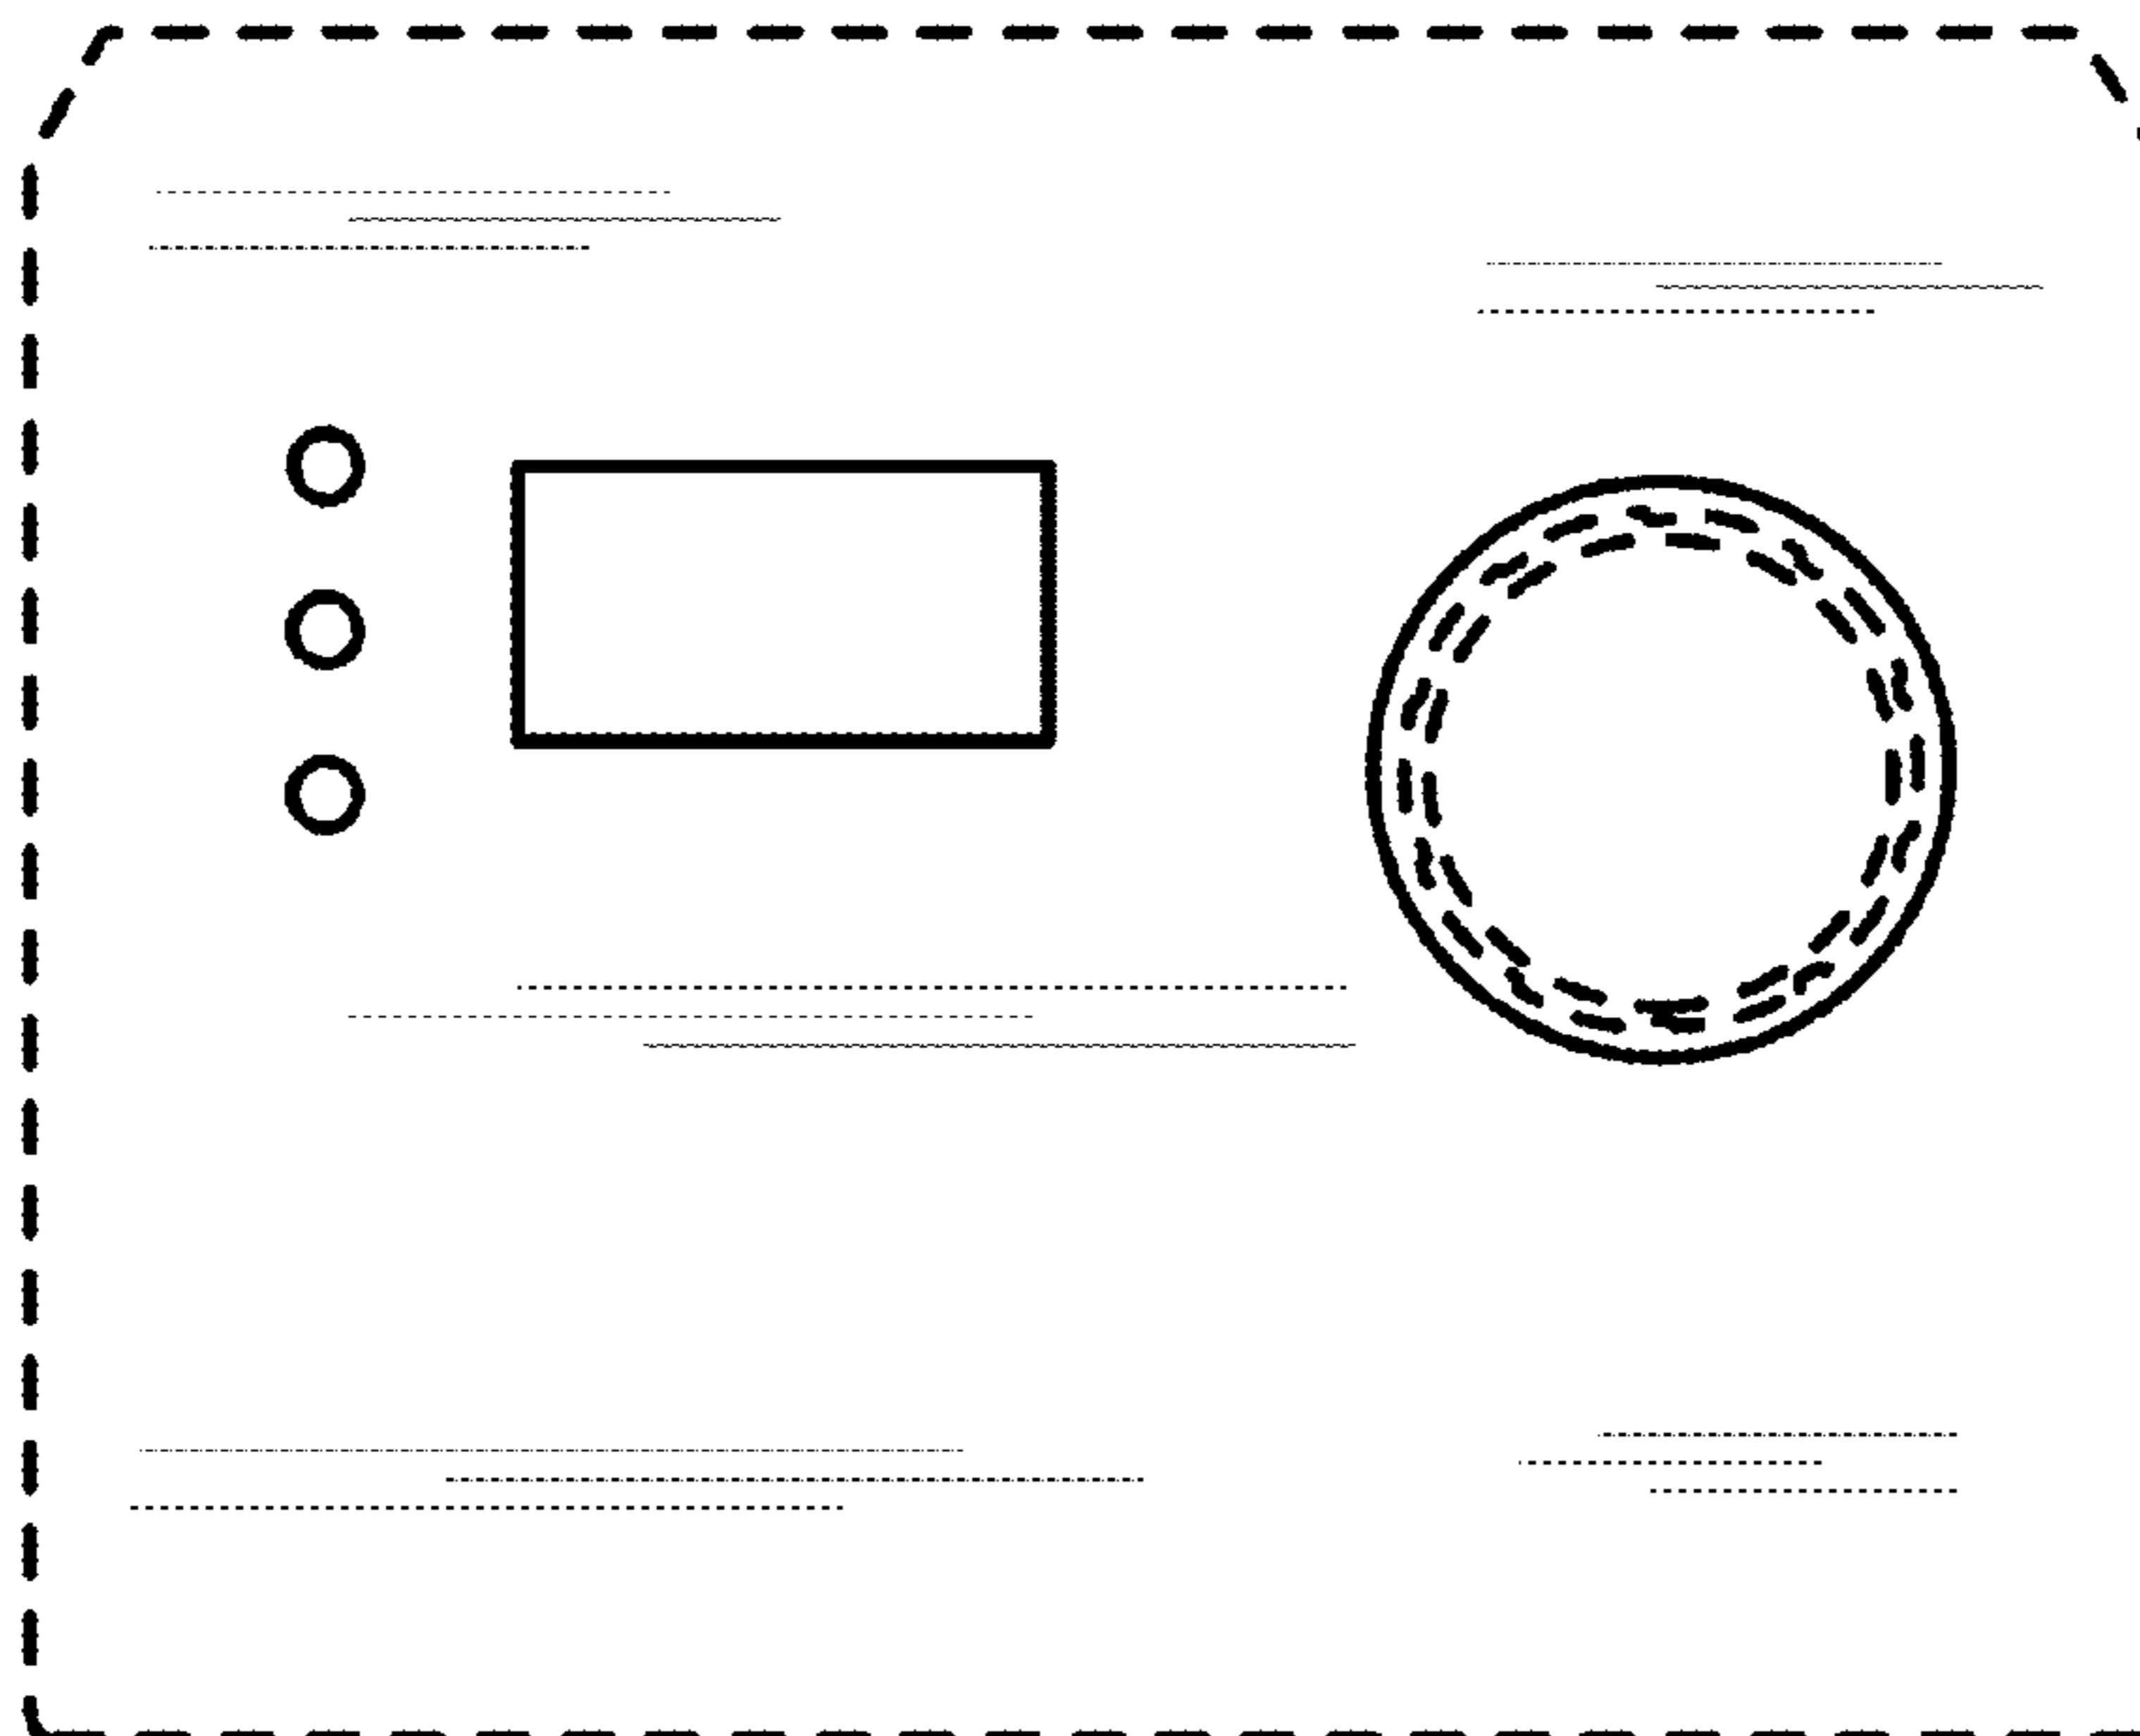

DESCRIPTION

The sole FIGURE shows a plan view of an instrument panel for a plasma cutter showing our new design.

The design for an instrument panel for a plasma cutter is embodied in a panel of nominal thickness with the sides and back, not shown, forming no part of the claimed design.

The broken lines in the figure represent portions of the instrument panel for a plasma cutter that form no part of the claimed design.
