(57) **CLAIM**

The ornamental design for a portion of a vehicle front grille, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a portion of a vehicle front grille according to the present invention, with the grille portion shown within the broken line, and the de-emphasized and halftone portions located outside the broken line forming no part of the claimed design, but instead illustrating environmental structure.

FIG. 2 is an enlarged front view of the grille portion shown in FIG. 1.

FIG. 3 is a front left perspective of the grille portion shown in FIG. 1, with the grille portion shown within the broken line and the de-emphasized and halftone portions located outside the broken line forming no part of the claimed design, but instead illustrating environmental structure; and, FIG. 4 is an enlarged front left perspective view of the grille portion shown in FIG. 3.

In the Figures any elements shown outside the broken line form no part of the claimed design, but are instead included to show environmental aspects thereof. The broken line forms an unclaimed boundary of the design.
