(57) **CLAIM**

The ornamental design for a vehicle display panel with user interface, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.
FIG. 1 is a view of a vehicle display panel with user interface; and,
FIG. 2 is another view of the design shown in FIG. 1.
The outermost broken lines in the figures show a display panel or portion thereof, and form no part of the claimed design.
