(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface, showing the claimed design. The broken line at the periphery of the graphical user interface illustrates the display screen and the remaining broken lines illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design.

1 Claim, 1 Drawing Sheet
